KNOWN ALIASES..

From left to right: The self-proclaimed Ascended Master 'Devra Ji' MT (1995 to 2005) 'Surya Ma' MT (2005 to 2010). Two MT Arrest Warrants (Criminal Check Fraud 2008 & Felony Theft 2009). The Ascended Master 'Rishi Devra' AZ (2011 to Present). The Regent of the Rishi's (2016 to Present). Criminally Insane (1991 or earlier to Present).

Con artist and violent convicted criminal Devra Patton West also refers to herself as 'The Sage of Sedona.' & "The Regent if the Spiritual Hierarchy of the Western Hemisphere.' & 'The Light that stands behind leaders and world servers across the globe.' She asserts that she can deliver 'Divine Grace Healings' and 'Dispensation of Karma' to wealthy spiritual seekers for a six figure sum (she was charging \$500,000 in 2002).

Devra Patton West. For 32 plus years, Patton West has masqueraded as a 'guru' when in reality, she is the leader of a cult / criminal racketeering gang which has operated in three western states these past 32 years. So far Patton West, in spite of committing serious crimes on an industrial basis, has remained beyond the reach of the law because legal statute does not recognize her occult 'weapon' as a weapon in the way they do for a gun, a knife, a blunt instrument or poison. As a result she robs, thieves, extorts and murders so far with impunity. She outwits the police, the law courts and justice system by fielding members of her cult as 'friendly' witnesses (liars). And, with the ever threat of violent intimidation and murder, she cowers victims and witnesses into remaining silent. As each year passes without her arrest, she becomes ever more convinced that she is a God and, like any apex predator, she believes it is her right to prey on lesser beings.

Below are some well documented examples of what Patton West calls 'World Service' that occurred in Montana between 1995 & 2010. These are FACTS. Check out the links to all the documents to verify we are telling the TRUTH.

Patton West is criminally insane and just like Hitler and other despots, she believes that if you tell a lie big enough and tell it often enough people will believe it. Below is a sampling of some of her lies, bullshit and propaganda:-

[She has been preparing to lead humanity for thousands of years](#)

[She is holding open the gates of time](#)

[She is the Revered Executor of the Divine Plan](#)

[She is the Sanctified Regent of the New Americas](#)

[As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.](#)

All the senior members of Patton West's cult / criminal racketeering gang (see image above and images below) are aware of the long list of crimes indicated above. They have all known about her multiple court appearances. They have all seen the many newspaper articles about her criminal activities. All the above cult / gang members are aware of all the idiotic titles / accolades (listed above) that Patton West has awarded herself since arriving in Arizona. They all know this is utter BS and obviously done to facilitate fraud. Which the authorities have ignored for decades. WHY?

AFTER PATTON WEST DEFRAUDED THE GOVERNMENT ALL THE ABOVE PUT DISTANCE BETWEEN THEMSELVES AND PATTON WEST. NONE CARED ABOUT THE SCORES OF **INDIVIDUAL** VICTIMS OF ORGANIZED CRIME THAT HAPPENED DURING THEIR LENGTHY TENURE IN THE CULT / GANG.

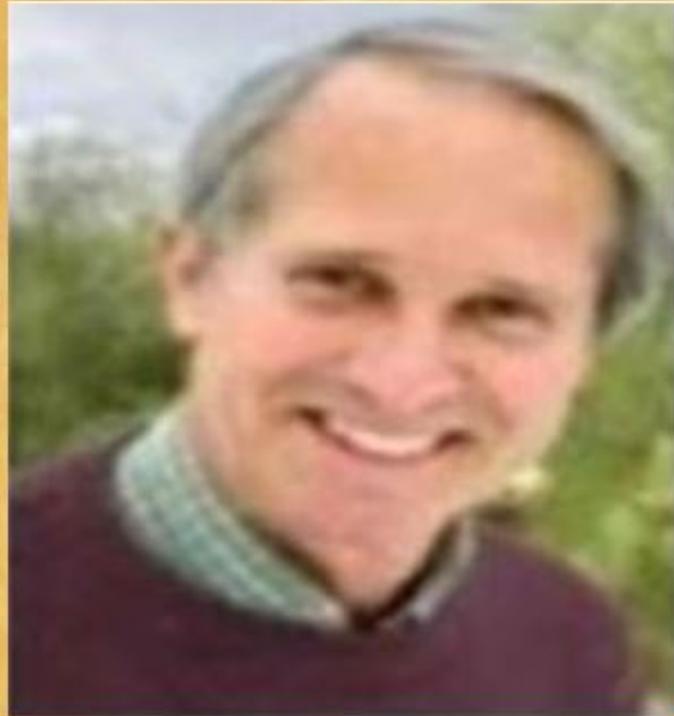

Williams and Coffin were serving as corporate officers and board members for Patton West's front companies until 2021. They all knew, and were willing accomplices, in Racketeering and Domestic Terrorism.

FBI TAKE NOTE – IT'S A CULT / CRIMINAL RACKETEERING GANG!

WANTED

JUSTICE FOR VICTIMS OF HIS CULT

REV. JACK WEST PhD

Jack West is a pathological liar who has been intimately involved with Patton West's criminal activities for several decades. His PhD was given to him by his ex-wife and as with all of her titles and accolades it is fake.. Telling lies in public and in court is his speciality. In 2008, when the truth went public about Patton West criminal activities in Montana, Jack West issued a statement on Patton West's website. In the statement Jack West stated that his ex-wife was, and I quote, "Utterly free of wrongdoing and as ethically virtuous as any human being can be." End quote. **We beg to differ.**

In 2008, Patton West was the subject of an arrest warrant for criminal check fraud, was convicted of assaulting her business partner Dr. Pat Cole MD and was also convicted of defrauding an earlier business partner John Watson. Also in 2008 Patton West was the subject of a Sheriff's Sale to force her to pay \$2,000,000 in court fines and interest to previous victims of organized crime. In 2009 Patton West was the subject of a second arrest warrant for felony theft. This is the tip of the iceberg. Jack West is a pathological liar who in recent years has tried to distance himself from his ex-wife' ongoing crime spree.

Jack West Jack West is not a doctor contrary to what it says on 'ZoomInfo' (see below) unless you count the fake doctorate his wife has given him from her non-accredited school for occult studies. That said, Jack West deserves a doctorate in lies, deceit and propaganda if such award exists. By the way, the Sacred Arts Institute was **struck off** in January 2004 by the Secretary of State for Montana as a result of massive fraud being undertaken by Jack West and his then-wife, Patton West. No problem for these two criminals, they simply changed the name of Patton West's unaccredited school for occult studies from the 'Sacred Arts Institute' (SAI) to the 'Sacred Archives Institute' (SAI).

There is not much to say about Jack West that his old friend Jeremy Samuelson has not already said. "A timid man with little experience of a woman who was 'overwhelmed' by Devra West who was soon running him."

Dear John

I read your site with amusement I knew Deborah West back in the 70's and early 80s' when she was Deborah Patton. She had no spiritual powers and was merely another person living the "hippie lifestyle" in Huerfano Valley, Colorado.

She subsequently married my land partner Jack West , a timid man with little experience with women. Suffice it to say she overwhelmed him and was soon "running him."

She had a jewelry making business with him (they were also marijuana growers) I unfortunately loaned them \$10,000 and was of course never repaid; I had trusted Jack who was a moral man until she twisted his mind.

There are many others who remember Deborah West as a powerful personality, willing to do whatever to achieve her ends.

She never had any spiritual powers then or even claimed to and absolutely no one thought her a healer. It just goes to show that there is always someone willing to believe.

yours, Jeremy

In 2002 Devra West stated that her then husband, Jack West, would be hanging onto her skirts for decades to come, which turned out to be the case. Jack West's function was to embed himself amongst the cult and report on any disaffection amongst the ranks and like his then-wife, he was and still is a compulsive liar. Here is how former board member of the charity, 'The Circle of Divine Unity' described 'liar for hire' Jack West.

"In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra's writing, called me. She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. Devra became so incensed that she attacked her and ripped clumps of hair out of Susanna's head. This was severe abuse and ultimately led to Susanna leaving DU within the month. I returned to the office several days later and the first thing I did was to address this abuse in a staff meeting with Susanna in attendance.

Jack West, who was present at the event, categorically denied it happened while Anandra accused Susanna of causing the problem. This collaborative deception was so shocking that I resigned, effective immediately. The cover-up was endemic and serious abuse issues were lied about and swept under the rug. The lack of integrity by Devra, her impropriety around money and her physical and verbal abuse of individuals were the reasons for my leaving."

You can read the full statement from A.J. White by going [here](#).

In July 2007 and August 2007 respectively two news articles were published by the [Whitefish Pilot](#) and [Bigfork Eagle](#) about Patton West's crimes in Montana. In addition to having two newspaper articles revealing details of Patton West's criminal activities there was in the two years following much publicity around some of the crimes themselves. For example, Patton West was the subject of multiple arrest warrants (1) & (2), a [conviction for assault](#), a conviction for [defrauding the whistleblower](#) and was the subject of a [Sheriff's Sale](#) to force Patton West to pay past victims of crime \$2,000,000 in court fines and interest. In response Jack West, like other senior members of the cult (Geoffrey Reynolds & Julio Williams) published his own totally dishonest and full of lies statement of denial from West's website.

"To All Who Value the Truth,

My name is Jack West and as a previous board member of the non-profit Divine Unity and Sacred Arts Institute, I offer my statements to refute the despicable and unfounded accusations that John Watson has made about Dr. Devra West-Surya Ma. Even though I am her ex-husband, I am stepping forward because I am outraged that he has orchestrated an implausible raft of tabloid-style allegations, based solely on his own malicious scripting of trumped-up gossip and calculated deception. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be."

FOOT NOTES: Both Divine Unity & the Sacred Arts Institute were [struck off](#) for fraud in January 2004 and yet Jack West's statement was made in 2007? Patton West is not a doctor of anything unless you count the PhD she awarded herself. Read what one of her 'students' had to say about [Patton West's fake PhD](#). Patton West was calling herself [Devra Ji](#) between 1995 to 2004, [Surya Ma](#) between 2005 & 2010 and [Rishi Devra](#) between 2010 and Present Day. John Watson's allegations were ALL born out as TRUE after the court found Patton West [guilty of defrauding him](#). [Here is a link](#) to the newspaper article about his victory in court. Then there are the two arrest warrants, a conviction for assault, her being the subject of a Sheriff's Sale to force her to pay past victims \$2,000,000 in court fines and interest. There is much, much more.

Like we said, Jack West is a pathological liar.

A whole webpage on one of our websites is dedicated to showing Jack west's statement are a total pack of lies. Go [here](#) to read it.

WANTED

JUSTICE FOR VICTIMS OF HER CULT

Credit for the image below to Netflix and Be Scofield's recently published article.

CORINNE COFFIN AKA 'TANMAYO'

For two or three decades, Ms. Coffin has been a senior member of a US based cult / criminal racketeering gang headed by self-appointed 'Planetary Regent' Devra Patton West. During her tenure Ms. Coffin has financed the cult / gang's criminal activities to the tune of millions of US dollars. Ms. Coffin is a Brazilian citizen and yet during capital controls meant to stem the flow of capital out of Brazil at the beginning of this century Ms. Coffin kept the flow of funds into the USA via intermediary's thus circumnavigating Brazilian capital control laws.

Between 2004 and 2009 only Patton West's charity was struck off for fraud in 2004. She was the subject of two arrest warrants one in 2008 and one in 2009. She was convicted in 2008 of assaulting her business partner Dr. Pat Cole MD. In 2008 she was also found guilty of defrauding another business partner John Watson. Also in 2008 Patton West was the subject of a Sheriff's Sale to force her to pay past victims of crime \$2,000,000 in court fines and interest. In spite of knowing about all the criminal acts committed by Patton West Ms. Coffin continued to fund Patton West's criminal acts (Racketeering & Domestic Terrorism) and remained as 'treasurer' of Patton West's 'front company' until 2021. Ms. Coffin only distanced herself from Patton West after her cult leader defrauded the US government out of \$500,000 in SBA Loans.

Corinne Coffin. As explained above, Ms. Coffin continued to fund Patton West's activities knowing full well that Patton West was guilty of decades of racketeering and domestic terrorism. Here is a short list, the tip of the iceberg, of crimes committed by Patton West in Montana during Ms. Coffin's tenure in the cult / gang.

1. 2008 Arrest Warrant for [Criminal Check Fraud](#). 2. A 2008 [Conviction for Assaulting](#) Dr. Pat Cole MD (while in the process of extorting \$1.3 M from her). 3. Patton West was the subject of a 2008 [Sheriff's Sale](#) to force her to sell her assets to pay \$2M in court fines and interest to previous victims of organized crime. 4. Fraud victim turned whistleblower John Watson was [awarded \\$736,000](#) by a Montana court after Patton West was found guilty of defrauding him. 5. Patton West was found guilty of [defrauding Larry Brazda et al.](#) 6. Patton West and found guilty of [defrauding 'Top to Bottom'](#) construction company. 7. Patton West guilty of viciously assaulting several female members of her cult (1), (2) & (3). 8. Witness relates the [contempt Patton West has](#) for those who 'donate' money to her. 9. Patton West's son Chris Haywood has a [criminal record](#) for Forgery, Traffic Violations and Substance Abuse. Patton West sits at the head of a crime family that has preyed on spiritual seekers for decades!

The idea that Ms. Coffin was unaware of Patton West's activities is ridiculous. She was directly involved in Patton West's fraud against John Watson, who was also Ms. Coffin's business partner. Coffin told Watson that she was glad that he was involved because she was concerned that Patton West might take the money Coffin planned to put into the business and use it for herself. Yet, Coffin did nothing, even though she knew that Patton West had stolen a previous \$80,000 donation diverting it to pay for her son's legal fees. And yet Coffin did nothing. Actually what she did do was reward Patton West's criminal activities to the tune of \$736,000 shortly after Watson was defrauded making her an accomplice in that crime.

For more on Ms. Coffin we suggest you read acclaimed journalist Be Scofield's [published article](#) on Patton West which includes a section on Corinne Coffin.

WANTED

JUSTICE FOR VICTIMS OF HIS CULT

Dr. Julio Williams MD

FOR IMPERSONATING A CARING PHYSICIAN AND FOR LINKS TO THE OMNI-AWAKENING CULT / CRIMINAL RACKETEERING GANG LED BY OCCULT THIEF / SUSPECTED SERIAL KILLER DEVRA PATTON WEST.

LAST SEEN AT ESSENTIA HEALTH FARGO ND, HENDRICK MEDICAL CENTER ABILENE TX AND YAKIMA REGIONAL MEDICAL & CARDIAC CENTER.

Above from left to right: Dr. Julio Williams MD as he appeared in a promotional video. Williams cannot wash his hands of his involvement in Devra West's cult / criminal racketeering gang. Apart from 'marketing' Devra West to the public as a 'miracle healer' he is also part of her 'black opps.' team. His threats to a whistleblower who was suing his cult leader for fraud and his current complicity in a plot to murder that whistleblower is well document in over 300 emails. Dr. Williams on bended knee before the leader of his cult Devra Patton West.

Dr. Julio Williams MD hails from the Dominican Republic where Voodoo is one of the official religions. In 2002 he joined Devra West's Satanist black magic cult as a student, with the aim of learning how to do what Patton West does. Use occult (hidden) knowledge to control and manipulate the lives of others. At the hospitals where he works, he pretends to be a respectable physician. However, out of sight of his medical colleagues, he provides the leader of his cult / criminal racketeering gang with other skills. As part of his efforts to present himself as a respectable physician he made a video for the Yakima Regional Hospital where he works. You can view that video by going [here](#).

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Above: Dr. Julio Williams masquerades as a respectable physician / thoracic surgeon but hidden from the view of his medical colleagues is his membership of a cult / criminal racketeering gang led by Devra Patton West. Did Essentia Health know about Dr. Williams' criminal activities before hiring him? I bet not.

No 'normal' friend, associate or colleague would agree to post a [defamatory statement](#) about a total stranger on Devra West's website – Williams did. No 'normal' friend, associate or colleague would agree to send a [threatening email](#) to a total stranger for the purposes of intimidating the stranger into dropping his lawsuit against Devra West – Williams did. No 'normal' friend, associate or colleague would offer to donate \$2,000,000 to fund Devra West's legal fees against a stranger she defrauded – Williams did. No 'normal' friend, associate or colleague would agree to buy a domain name, pay for a website then [host a totally false statement](#) asserting that the injunction Devra West 'bought' by outspending the whistleblower in a series of civil lawsuits was instead the result of an investigation by a judge into a cyber-extortion scam against Devra West – Williams did. More here [\(1\)](#), [\(2\)](#) & [\(3\)](#).

Williams was / is also complicit in the ongoing attempts by Patton West to intimidate / murder the whistleblower. In that regard, Williams has received literally hundreds emails from John Watson over the past 3 to 4 years about the ongoing campaign of intimidation being directed at Watson and his family. Williams has declined to share the emails with the police. We are not surprised as to do so would make him an accessory to attempted murder.

★★★★★ dangerous physician!
 Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011
 This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Above: Patton West laughing all the way to the bank as she shamelessly uses Dr. Julio Williams MD's perceived respectability to carry out the latest extortion scam involving 'divine grace healings.' Williams seen on bended knee before his cult leader.

--	---	--

Geoffrey Reynolds CPA currently working for McSwain & Co accountants. In 2006 he money laundered \$460,000 that his 'employer' extorted from a local doctor. In 2007 Reynolds was complicit in a plot to murder a witness who turned whistleblower against his cult leader Devra Patton West. When that failed in 2010 Reynolds agreed to be part of a \$10,000,000 extortion scam to bankrupt the whistleblower.

Geoffrey Reynolds CPA a totally corrupt individual lacking a moral compass and a single shred of integrity. The Urban dictionary defines the word 'scum' thusly:-

(adj.) Possibly the worst word you can have your name associated with. It is hard to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often just referred to as genitalia.

Reynolds was a total stranger to fraud victim-turned-whistleblower, John Watson, and yet Reynolds, after being duped by Patton West into loaning her his life savings, agreed to be an accessory to be complicit in a plot to murder Watson in 2007. Reynolds even announced Watson's impending murder to a local newspaper reporter. On August 9 2007 Reynolds stated, and I quote, "Watson will be dead within 12 months or in jail for reacting to what Patton West was going to do to him, his wife and children." Reynolds was clearly 'in the know' about Patton West's ability to use her occult knowledge to murder those who oppose her with impunity (so far).

When the murder plot failed, Reynolds doubled down on his treachery by partnering with Patton West in a 2010 criminal conspiracy to extort \$10,000,000 from Watson. This is what criminals do if they cannot silence you by intimidation or murder, they then go to law and outspend you in court. Reynolds' part in the plot was to make totally false statements to a Montana court declaring that he had been defamed by Watson between 2002 and 2006. A total lie, not least because Reynolds did not move from California to take up his new employment with Patton West until September 2006. A fellow employee stated that she thought Reynolds was blackmailed into a life of crime after he was duped into loaning his life savings to Devra West and the only way to get his money back was to agree to murder a total stranger, and when that failed, conspired to bankrupt him. Reynolds' price to be complicit in murder, racketeering and domestic terrorism was \$300,000.

To be clear, no 'normal' employee would turn a blind eye to serious crimes (1), (2), (3), (4) & (5) being committed by his employer against other employees – Geoffrey Reynolds did. No 'normal' employee would make false statements to the press and publish [multiple statements](#) on his employer's website denying a crime (the assault on Dr. Pat Cole MD) that he knew his employer had committed. No 'normal' employee would agree to conspire with their employer to murder a total stranger that his employer had a legal dispute with – Geoffrey Reynolds did. No 'normal' employee would, after the murder plot failed, agree to make totally false statements to a court about a total stranger on behalf of his 'employer' for the purposes of conspiring to bankrupt that person his employer had a legal dispute with – Reynolds did. You can read more about Reynolds' crimes by going [here](#) and [here](#) and [here](#).

Above: Scum bag Geoffrey Reynolds CPA. No crime is off limits not even murder.

In closing....

Above: Patton West a criminally insane narcissist, career criminal, a murderer and suspected serial killer. What makes Patton West different from all the other gang leaders is her use of an occult (hidden) weapon (not recognized under legal statute) which is used to intimidate victims and subvert court cases brought against her. Those that go public are slated for murder.

For thirty two years and scores or hundreds of victims later, Patton West remains at large, even though she's maybe one of America's most prolific criminals and murderers. Patton West has an iron grip on the members of her cult, who do her bidding however illegal or immoral. If she is the subject of court actions, civil or criminal, she avoids a guilty plea by lining up members of her cult as witnesses, who are prepared to tell lies on her behalf. Most victims and witnesses of crime are too afraid to testify against her, so most do not go to the police or to law for fear of being the subject of a campaign of violent intimidation or fear they will be murdered. And since all of Patton West's extra judicial killings appear to the coroner to be death resulting from natural causes, Patton West has total plausible deniability.

While previous murders may be hard or impossible to prove, there are more than enough surviving victims of occult violence at Patton West's hands who will confirm that this weapon exists. They will also confirmed that her [secret weapon](#) is used frequently to facilitate crime and to 'silence' those going public, to the police or to court (like the whistleblower John Watson).
