

Subject: Rishi Devra World Server or Occult Con Artist – The evidence is clear!

Jesus said, “Ye shall know them by their fruits.”

## ‘WORLD SERVER’ OR LEADER OF OCCULT CRIMINAL GANG – YOU DECIDE!

Prior to 1990, Devra & Jack West were both small time con artists defrauding individuals like [Jeremy Samuelson](#) out of \$10,000 here, and [Satya](#) out of \$6,000 there - one victim at a time. After Devra West's jewelry business went bankrupt, she decided that a career change was called for so decided to become an Ascended Master. Accordingly, between 1990 and 1991, she attended a two year course at the prestigious '[Robert Jaffe School for Energy Mastery](#)' at which she acquired occult knowledge which was to underpin her criminal business model for the next quarter of a century or more.

Devra West is not shy about bragging about her occult abilities; below here is an excerpt from an interview she gave to the [Whitefish Pilot](#) newspaper in July of 2007 after they wrote an extensive article about her criminal behavior in the Lakeside MT area.

*“West claims to have been trained in **shamanic visioning and healing by Native American elders and to have been both a Cheyenne medicine woman and General George Patton in past lives. She also claims her "gifts" can heal people with various illnesses, including leukemia, and she plans to teach what she knows to cardiologists and other physicians when her plan for healing spas unfolds. "If you ever saw me heal, you'd be down on your knees crying like a friggin' baby," West said.**”*

So above, highlighted in yellow:-

1. Devra west admits to being trained as a shaman.
2. No one connected to her has ever seen her 'heal' anyone and the only cardiologists that she knows is [Julio Williams MD](#) a senior member of her cult who finances her criminal activities, markets her to the public in the hope of attracting more victims and, when required, provides her with false witness statements when news of her criminality leaks outside the cult into the public domain such as occurred in July of 2007 when the [Whitefish Pilot](#) published its news story about West's criminality.

3. The last statement highlighted in pale green in the excerpt above should alert even the dumbest amongst her followers that she is a raving egomaniac who has drunk too much of her own Kool Aide.

**That Devra West is a shaman is not in doubt.**

**That she uses her occult knowledge to commit acts of theft, fraud and extortion is also not in doubt.**

**That she uses her occult knowledge to intimidate victims and unfavorable witnesses into remaining silent and not going to the police or courts for justice is not in doubt.**

**That she has the ability to **murder** those who go 'public' is not in doubt as those who have passed through the cult and survived Devra West's so called **'world service'** efforts will attest.**

**WARNING THIS WOMAN IS EXTREMELY DANGEROUS TO  
YOUR WEALTH AND YOUR HEALTH!**

**AVOID THIS SERPENT AT ALL COSTS!**

So we know from individual victims like [Jeremy Samuelson](#) and [Satya](#) that Devra West was a con artist in the 1970's and 1980's. We know that after acquiring occult (hidden) knowledge in the early 1990's that she graduated from being a common criminal conning individual victims out of thousands of dollars one at a time to conning tens or scores of victims at a time out of hundreds of thousands of dollars at a time. We also know that she acquired the ability to use this knowledge to violently intimidate or even murder those victims or witnesses that went public. The murders appearing to the authorities as though the victim had died of 'natural causes.'

Fast forward a couple of decades and after being run out of New Mexico in the night by a gun wielding victim in 1995, and being driven out of Montana in 2011 by adverse publicity, multiple arrest warrants, a conviction for assault and multiple appearances in court as the defendant in fraud related lawsuits, our wanna-be Ascended Master reincarnated herself in AZ as the Ascended Master Rishi Devra! Here is what happened when the Occult Thief / Suspected Serial Killer Devra West arrived in Cave Creek / Carefree AZ her third western state in 20 years.

(1). Up go the [flashy websites](#) packed with lies, deceit and propaganda about her past and her status as a 'divine being.' Up goes the propaganda about the 'Royal Path' a concept that does not exist outside the mind of Devra West. Up goes the propaganda about the 'Universal Archives' another concept that

does not exist outside the mind of Devra West unless you count the 'lock up' full of the self-published ravings of a mentally ill egomaniac! Then there are other preposterous statements like her claim to be [holding open the gates of time](#) or my other favorite which is that she was [awarded her two fake doctorates by the Christ](#) in person!

However, Devra West preys on the spiritually confused and like Hitler and Goebbels she believes that if she keeps telling the same lies over and over again those lies will become other's truth. In fact in a face to face meeting with the whistleblower in March of 2003 Devra West came out and claimed that the truth did not actually matter as she could convince the public that her lies were their truth. Since that meeting was recorded on a digital tape recorder you can hear Devra West say this in her own voice by going [here](#). It worked for Hitler, and it seems to work for Devra West too.

(2). By organizing her 'business model' as cult which is hidden inside a 'quasi religious' organization she achieves two objectives. The first is to keep the details of her criminality hidden from public view by a veil of secrecy and secondly she is able to make the most outrageous claims about herself and her past without fear of prosecution because all of her lies are 'protected' under religious freedom laws. This includes the obvious lies in the form fake of her 'life journey' and the testimonials given to by the senior members of her cult who are all very aware that she uses murder as a weapon!

Here are some of the stage managed photos of the homicidal maniac Devra West posing for the cameras as part of the overall package of lies that includes her entirely fictitious [life journey](#).

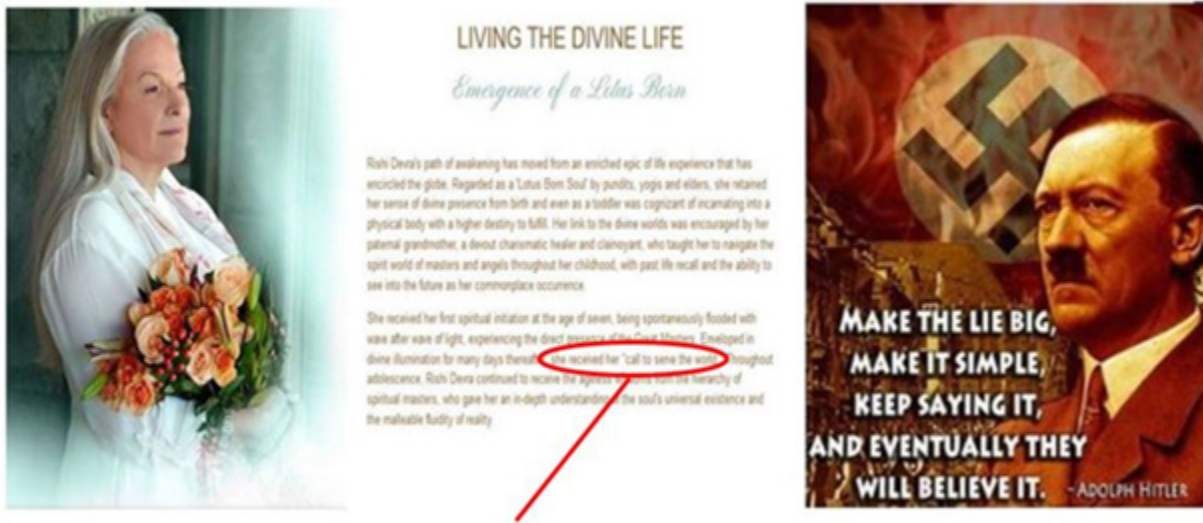

Nowhere in that fiction will you see mention of the fact that she was ran out of New Mexico at the point of a gun by an angry victim in 1995. Nowhere in that work of fiction will you read about her reign of terror as the Ascended Master Devra Ji between 1995 and 2004. Nowhere in that work of fiction will

you read about her reign of terror between 2005 and 20011 as the Ascended Master Surya Ma which included:-

1. Two arrests warrants, one for [felony theft](#) and one for [criminal check](#) fraud.
2. Her conviction [for assaulting](#) her business partner.
3. The fact that she was the subject of a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest.
4. Her numerous visits to civil court as the defendant in fraud related lawsuits including one from the whistleblower that [he won](#) in 2008.
5. You will read about the [scores of ex-employees and students](#) to her unaccredited Hogwarts School for the dark arts, who allege they were mentally and physically abused by this lunatic.

What you will see is propaganda, lies, deceit by Devra West and her cult all designed to entrap the spiritually confused into surrendering their will to the Master Abuser as a prelude to becoming low paid or no paid slaves or victims of theft, fraud and extortion.

Propaganda like how she was called to 'world service' at age 7.

**She received her 'call to serve the world.'**

If any other 'product' sold to the public was so outrageously misrepresented as Devra West misrepresents herself (for the obvious purposes of fraud) that product would be withdrawn from the market immediately with the person making the claims prosecuted to the fullest extent of the law. However Devra West knows that because she is claiming to be a 'religious' figure she can say what she wants she also knows that anyone stupid enough to point out that the 'Emperor has no clothes' will immediately become the victim of a campaign of occult violent intimidation or murder. As a consequence today in Cave Creek / Carefree AZ we have Devra West, the only living Rishi on the planet (gag) plying her wares in the hope of:-

**(1). Attracting huge donations elicited from the public on the basis of the lies, deceit and propaganda to be found on her website.**

(2). Attracting the sheeple who after sitting at her feet and being brainwashed and conditioned are converted into low paid or no paid slaves and envelope stuffers.

(3). Wealthy donors who after drinking the Kool Aid are defrauded out of their life savings.

## PASSIVE ACTS OF MULTI-MILLION DOLLAR A YEAR FRAUD

Her fund raising campaigns all predicated on the lies and propaganda on her websites. The first a campaign to raise money for the 'divine feminine' even though she has a track record of viciously and violently assaulting other women.

Manifesting the New Potential for Healing & Enlightenment

Julio Williams, MD

Cardiovascular & Thoracic Surgeon  
Director, Golden Flame Foundation

Dear Friends and Fellow Seekers,

It is with profound purpose that I personally reach out to you to invite your support for Rishi Devra's outreach for spiritual awakening. As a master teacher of profound relevance, our fall fundraising goals assure that her service endeavors for healing and enlightenment will continue to build momentum throughout the fall and winter months. For over 14 years, I have witnessed her illumination in the thick of every day life, as well as the astounding beauty and power of her teachings. We are indeed very blessed that a master teacher of her caliber is amongst us during for this time of global upheaval, as she fulfills her mandate: *"To awaken the few, who will influence the many."*

Note the above is fronted by Julio Williams MD a senior member of Devra West's cult and very aware of her weakness for violence against other women as personified by the vicious assaults she meted out to [Susannah Felder](#) and [Beatrice McGuire](#) who both challenged Devra West's lies. Then there is the vicious assault against [Pat Cole](#) who was just a bit too slow in emptying her bank account; you can view a complete copy of Williams appeal for the 'Divine Feminine' by going [here](#). And below here Devra

West asks the public for single donations of up to \$500,000 for her good causes – which is always herself. Since 2002, when the whistleblower was associated with her, tens of millions of dollars have passed through her hands but as far as anyone can tell not a single cent has gone to any of the good causes she espoused. Those pointing out this obvious truth become the victims of occult violence or murder plots. You can view Rishi Devra’s ‘donations’ page by going [here](#).

My favorite has to be her ‘crowd funding’ appeal for the dental work she says she needs. I suspect very few of the brainwashed ‘sheeple’ give any thought as to how many tens of thousands of dollars the Greek Goddess outfits and staged photo shoots cost? It is not easy to make mutton look like lamb? But Devra West has an insatiable appetite for other people’s money, so even the \$4,002 raised from her Go Fund Me campaign is a victory for her over the idiots who give her money.

Here are some audio excerpts from members of her personal staff during the 2002 time period.

The above statements were made by Devra West's employees (housekeeper and personal secretary) in 2002, when she was calling herself the Ascended Master Devra Ji. Below, is the opening paragraph of an email sent to the whistleblower by Rebecca West (no relation – office manager) in March 2007, when Devra West was calling herself the Ascended Master Surya Ma. It is obvious that Devra West is a deeply disturbed psychopathic person / personality that preys on her employees, as well as the public.

*Dear John,*

*After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller [Geoffrey Reynolds CPA] last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).*

Below, is her current 'Go Fund Me' dental campaign.

We are putting out a call for funding for meditation master and spiritual teacher, Rishi Maa. Sudden health issues resulting from poorly executed root canals have compromised the bone tissue in her jaw, causing a systemic compromise to her health that poses a trajectory of severe repercussions. Lab results indicate the necessity for both immediate intervention and ongoing extensive treatment. Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. **I have personally allocated Two million dollars for Dr. West defense and legal expenses.**

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. **You fuck with me and you will meet your match.**

## OVERT ACTS OF THEFT, FRAUD & EXTORTION PREDICATED BY HER KNOWLEDGE OF THE OCCULT!

The scam works like this the spiritually confused (and hopefully wealthy) respond to the invitation [on her website](#) to have a consultation or a private session, or a private intensive.

After gaining the target's confidence with a blend of clairvoyance and ritual magic, Devra West then decides which way she is going to 'skin the cat' so to speak. There are only two approaches; the soft approach, as used on heiress Corinne Coffin AKA Tanmayo, or the hard approach, as used on Dr. Pat Cole MD.

**(1). THE SOFT APPROACH TO FRAUD & EXTORTION.** This takes the form of Devra West telling the target that she and the target, (nearly always women) were sisters in another lifetime and that during that life time, the 'target' betrayed her with the result that she is now being given the opportunity to make amends by giving a large financial donation to her. Devra West will say that their meeting was not by chance and that the Ascended Masters had brought them together to give the target a chance to make amends and burn off some karma. Devra West will go on to say that if the target does not respond and

take up the generous offer to pay her \$500,000 to set matters right, the Ascended Masters will give the target a sign by visiting upon her a series of debilitating migraine headaches. Those that do not cough up the funds within a short time period, are visited with a series of migraine headaches so severe, that they render the target unable to function. The target becomes a believer and pays up!

While working for Devra West as a consultant in 2002, when she was calling herself the Ascended Master Devra Ji, the whistle-blower was informed by two of Devra West's other employees, Diane Stoner (secretary) and Kathleen Francisco (housekeeper) that Devra West had ~~extorted~~ received a donation for \$500,000 in this way. You can hear both Diane and Kathleen discuss this by going [here](#) to the audio recording of their statement.

**(2). THE HARD APPROACH TO FRAUD & EXTORTION.** Method two is to recruit the wealthy 'target' into one of Devra West's great fund raising causes none of which are ever meant to come into reality but are used as a 'fund raising' focus by West to get the money flowing. If the target does not come forward with the required amount of funding (for her good causes – nearly always herself) the target is isolated and then mentally and physically abused by the senior members of the cult, as described here by ex-student [Debra Coffey](#). All of this is choreographed by Devra West, and if the overt violence fails, then the target becomes the subject of a campaign of under the radar occult violence designed to intimidate them into emptying their bank accounts into Devra West's.

These are the two approaches that Devra West used when calling herself the Ascended Master [Devra Ji](#) in Victor MT (between 1995 and 2004) and when she was calling herself the Ascended Master [Surya Ma](#) (between 2005 and 2010). Given the way her website is set up and the way she, [Julio Williams](#) and [Jack West](#) are still working the same well-oiled scam. Clearly, nothing has changed apart from more expensive air brushed photos and on the website, even more outrageous lies from Devra West to suck in the sheeple.

Occult Thief Devra Patton West sits on her throne and lords over the sheeple as they hang on her every word. Jack West, Devra West's ex-husband accomplice in organized crime since the 1970's, sits amongst the new intake just as he did in 2000 when the whistle-blower was recruited from a meditation group he chaired.

His role is to meet, greet and circulate amongst the potential recruits to the cult to see which is wealthy, which has influence and who would be useful as low paid or no-paid labor. This well-oiled criminal conspiracy has not changed in its approach in two decades or more and why should it? As Devra and Jack West's guru / cult / extortion business model has netted tens of millions of dollars a year for [world service](#) and yet no records exist of funds going anywhere except to fund her lavish lifestyle costs.

All the senior members of her cult are aware that Devra West uses occult (hidden) knowledge to commit serious crimes that include theft, fraud, extortion and violent assault. All the senior members of her cult are aware that Devra West will, if necessary to preserve her multi-million dollar a year business model, murder those who go public about her past! Here are three willing accomplices in what is clearly a murderous criminal conspiracy.

Geoffrey Reynolds CPA

Dr. Julio Williams MD

Jack West

Senior cult member **Geoffrey Reynolds CPA** even announced the death of the whistleblower to the press three weeks before Devra West made the first attempt on his life in 2007.

Senior cult member **Julio Williams MD** has been aware of the occult attacks against the whistleblower and other victims since he became a student of Devra West's in the year 2000; he is currently learning how to do the same to other victims because that is the kind of guy he is! Senior cult member and 'liar for hire' Julio Williams has been receiving emails from the whistleblower twice a week for the past three years detailing the occult attacks against made against him by Devra West but Julio Williams has never once shared these emails with the police because he knows to do so would bring attention to him and the suspected serial killer leading his black magic coven.

Of course ex-husband **Jack West** has been there for the past 30 years or more; as detailed above they started out as small time fraudsters together in the 1970's & 1980's. After Devra West changed careers to become an Ascended Master Jack West became the weasel that moved amongst the sheeple to see who had money and who had influence. When things went wrong and crimes went public Jack West was there to give his ex-wife false witness statements and, when necessary, publicly ridiculed and character assassinated those victims who tried to get justice via the police or law courts.

All three are bottom feeding scum, without whose help and support, Devra West would have gone to jail decades ago. But you decide for yourself if wanna-be Ascended Master Devra West is a **'world server'** or an occult thief suspected serial killer.

As Jesus said, "Ye shall know them by their fruits."

**'WORLD SERVER' OR LEADER OF OCCULT CRIMINAL GANG – YOU DECIDE!**

What kind of **'world server'** uses murder as a weapon to silence the truth about her past? Devra Patton West does!

(1). While being interviewed by the [Bigfork Eagle](#) reporter on Aug 9 2007, senior cult member Geoffrey Reynolds CPA, speaking on behalf of Devra West, announced that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family.

*Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.*

*Geoffrey Reynolds CPA 2014*

Three weeks later, Devra West tried to murder the whistleblower. However, because the weapon she uses is not regarded as a 'weapon' by legal statute, she cannot be prosecuted. The whistleblower has been on the receiving end of occult attacks for the past 10 years, all designed to stop truth about Devra West's criminal past getting out into the public.

(2). In 2005, Devra Patton West needed funding to develop a 'high end' spa complex in Lakeside MT; so she formed a corporation called the 'Fountain Group' with another con artist by the name of Edmund Wilson, both acting as Chairman and CEO respectively. Devra West invested \$650,000 of her own money on the promise that she would get ten times that amount back within weeks, only to find that the occult con artist Devra West had herself been conned out of \$650,000. [Follow this link](#) to review the details of the law suit that the Securities & Exchange Commission brought against Edmund Wilson and the other defendants.

What I find interesting about this is that in 2005, at the time she was being defrauded out of \$650,000, Devra Patton West was herself under investigation by the IRS and ahead of that investigation she was busily shredding documents as fast as she could to hide her criminality from that investigation. Here are two excerpts from an audio statement given by Devra West's then 'Housekeeper' Kathleen Francisco and then 'Personal Secretary' Diane Stoner.

[Devra West Shredding documents ahead of IRS investigation.](#)

[Devra West 'bringing in' a donation of \\$500,000 that she keeps for herself!](#)

In the 2005 time period, after her charity was [struck off for fraud](#), and perhaps after losing \$650,000, she stole a property worth \$1,250,000 from her charity and stole \$4,000,000 worth of artwork and valuables from the same charity – all the above paid for by public donation. The property became the subject of a [Sheriff's Sale](#) in 2008 to force her to pay her creditors \$2,000,000 in court judgements and

interest. The millions of dollars in artwork and valuables were hidden in a lock up for ten years until the statute of limitations on theft passed and reappeared at auction and [for sale from her website](#) in 2014.

In 2006, desperately short of money, Devra West launched a campaign of overt and covert violence against one of the wealthier members of her cult successfully extorting \$1.3 million from Dr. Cole MD, her student and business partner. An employee by the name of Carlida Finch, overheard Devra West planning Dr. Cole's murder; something she reported to the authorities. Follow this link to read Carlida's [statement of fact](#).

**(3).** In 2005, perhaps after she was defrauded out of \$650,000, Devra West defrauded ex-student, Dave Kushner, out of \$30,000; shortly afterwards she kidnapped, falsely imprisoned and beat ex-student, Marion Cantwell, until she agreed to give up part of the proceeds of the sale of her home to Devra West telling her upon release, that Marion would be murdered if she went to the police. A third ex-student, Lisa Swidler, a young mother of two, witnessed both crimes and as a result tried to leave the cult and shortly afterwards died suddenly and mysteriously of internal bleeding. The whistleblower believed she was murdered by Devra West to keep her quiet.

What kind of **'world server'** regularly beats the crap out of women and then seeks to raise millions for the 'Divine Feminine? Devra Patton West does!

**THE DIVINE  
EMBRACE**

**THE EMBRACE OF A DANGEROUS PSYCHOPATH WHO BELIEVES SHE IS  
BEYOND THE LAW AND WILL NOT HAVE TO ANSWER FOR HER CRIMES**

**Dr. Pat Cole MD**

"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes, she threatened to kill me with a gun to my head, 'blowing my brains out.'" Photos taken after the alleged beating were submitted to the sheriff's office.

Dr. Pat Cole – Former Student & Business Partner.

**Susannah Felder – Partially Scalped.**

In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra's writing, called me. She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. Devra became so incensed that she attacked her and ripped clumps of hair out of Susanna's head.

AJ White Former - Board Member of Devra West's 'charity' The Circle of Divine Unity.

**Beatrice McGuire – Part of her Ear Ripped Off.**

I was present in Montreal in which Ms. West tore a woman's ear. The woman was kneeling in front of Ms. West and had quietly challenged her authority. Ms. West reacted physically. Evidently the woman's ear had been grabbed too hard and then torn. She underwent reconstructive surgery for the injury.

Debra Coffey – Student and Teaching Assistant.

For the background on these victims, go to the [Whitefish Pilot](#) and [Bigfork Eagle](#) for Dr. Cole MD, to a statement by ex-board member [AJ White](#) for Susannah Felder, and to a statement by ex-student, [Debra Coffey](#) for Beatrice McGuire. Above in this email is part of a statement that senior cult member and 'liar for hire' Julio Williams made on behalf of his cult leader in 2014, aimed at the residents of Cave Creek & Carefree AZ this piece asking for donations for the 'Divine Feminine.' Williams, loyal and brainwashed member of the cult that he is, also rented a house close by Devra West so that he could use that property to lure more victims into the cult.

Here is an image that appeared on West's website recently. Note the invitation to enjoy a 'sacred Sunday with Rishi.' Gag!

*"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

What kind of **'world server'** markets herself to the public as 'living the divine life' when the truth about her sordid private life tells a completely different story? Devra Patton West does!

The transcript from the 2007 custody hearing reveals that Devra West lived with her youngest son, Chris Haywood at the time. The transcript also reveals that Devra West got into physical fights with Chris Haywood, who according to evidence given, had a reputation for violence against women. Jamie Haywood, his second wife, alleged in court that Chris Haywood liked watching porn and 'jacking himself off' in front of the TV when her female friends were visiting. In an earlier custody hearing with his first wife, it was revealed that Chris Haywood had an FBI record for forgery, multiple drug busts and motor vehicle offences.

Below is a short excerpt from the transcript, within which Jamie Haywood gives us a look into the sordid life of Devra Patton West. Jaime alleges seeing Devra West strike Dr. Pat Cole MD and also said she witnessed a fight between Devra West and her son, Chris Haywood, where Haywood grabs West by the throat and holds her up against a wall while West 'licks' his face from top to bottom.

It seems that both the mother and son are dangerous psychopaths, and to prove that this was the case, Jamie Haywood's lawyer produced the photographs that were taken by the police of Dr. Cole's injuries after Devra West's vicious assault upon Dr. Cole MD in April 2006. Apparently, Devra West repeatedly hit Dr. Cole MD over the head with the heel of her shoe until blood ran down her face onto her blouse – review [Whitefish Pilot](#) for details. Days later, in an attempt to justify the assault, Devra west wrote to her entire mailing list alleging that the beating was sanctioned by the long dead Ascended Master El Morya who alleged that the victim was a Nazi in the WWII death camps in another lifetime!

Below here are some excerpts from the letter that the psycho bitch Devra West sent out to her mailing list of cult members; you can access the entire missive entitled, ['The Law of Severity on the Path to Purification'](#) by following the link.

## *The Law of Severity on the Path of Purification*

Response to the Call of **Master Surya Devi for Review**

April 17, 2006 From Master El Morya of the Shamballa Counsels

What must be taken into account in all matters of review on the part of the Shamballa Counsels is the surrounding circumstances and the root motivation that is at play within any given matter of cause and effect or in the case of Surya Ma's actions the matter of singular cause aligned in Divine Will. We therefore have come to the following determination:

At no time has Surya Ma's intentions been rooted in anything other than the highest of grace despite the seeming severity that was meted. And we are witness to the sacrifices that she has made on behalf of the awakening of those who are placed in her charge and on behalf of the Divine Plan itself. She has offered up very resource and body, mind and soul

Dr. Cole is long over due in the sound arighting of her soul with its Creator. Her role in the death camps of Europe during the reign of the Nazi defilement is as yet unrectified. The suffering that was administered directly from her hand was an unconscionable infliction of brutality and evil and more over was resultant in the compromise of her very soul of its inherent link with the light of God. This is a rift in time of planetary karma and many souls have been lost to this rift and remain entrapped in the astral planes of this horror of human disgrace. Her continued denial of this samsara remains a factor to be rectified and she cannot progress until she comes to terms with her compulsions of victimhood rationale, that are merely smoke screens that veil her memory of her perpetrations against her fellow human brethren.

What kind of **'world server'** would viciously attack both daughter in laws, victims of failed marriages to her porn loving wife beating son, Chris Haywood, and conspires with him to wrest two infant daughters from their mothers? The answer is Devra Patton West!

What kind of **'world server'** would defraud their stepmother out of \$30,000? The answer is Devra Patton West!

For details about these three crimes which involved Devra Patton West targeting both daughter in law's with occult 'under the radar' violence, false witnesses at the two custody hearings and the defrauding of her step mother - all family members (by marriage) follow [this link](#).

What kind of **'world server'** has two arrest warrants to her name, one for felony theft (seen below here) and one for [criminal check fraud](#)? Devra Patton West is the answer!

I, Julio Williams MD have been a long time student of Surya Ma (now calling herself the Ascended Master Rishi Devra) and I stake my honor and credibility on defending her personal integrity and establishing the truth.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

## ARREST WARRANT FOR FELONY THEFT

What kind of **world server** is convicted of assaulting her business partner while extorting \$1.3 million from her? Devra Patton West is the answer!

I, Julio Williams MD have been a long time student of Surya Ma (now calling herself the Ascended Master Rishi Devra) and I stake my honor and credibility on defending her personal integrity and establishing the truth.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

## CONVICTION FOR FOR ASSAULT

What kind of **'world server'** asserts that she is 'single handedly holding open the gates of time?' The answer is Devra Patton West.

What kind of **'world server'** asserts that she was awarded her two entirely fake degrees by the Christ in person? The answer is Devra Patton West.

	<p>Devra's education and titles -- she used to openly and regularly mention in front of all of us at events (a couple of hundred people -- yes, there used to be that many of us in the early years!) how she'd dropped out of high school (she was pregnant with her first son) and years later got her GED. She never went to college.</p> <p>She suddenly started putting Ph.D. and later added D.D. after her name around 2001. When asked where she obtained these degrees, she said Christ had awarded them to her. It's around that time I decided to leave. Now she's apparently told the person who wrote the Whitefish article (July '07) she's a grad of some college in Redlands!</p> <p>Ex-student.</p>
--	--

What kind of **'world server'** tells her students that the more money they give to her the closer to God they will be? The answer is Devra Patton West.

What kind of **vile, despicable individual** goes to the trouble of acquiring occult knowledge so that they can use it to commit serious financial crimes against their fellow human beings and use that same knowledge to maim, injure and murder those victims who go public? The answer is Devra Patton West.

**WARNING THIS WOMAN IS EXTREMELY DANGEROUS TO  
YOUR WEALTH AND YOUR HEALTH!**

**AVOID THIS SERPENT AT ALL COSTS!**

What kind of **low life scum**, knowing at the very least, that Devra West is guilty of using occult knowledge to commit acts theft, fraud and extortion and at the very worst that she may be a serial killer, decide to become her accomplices to recruit for her to lie for her? The answer is Geoffrey Reynolds CPA, Dr. Julio Williams MD and ex-husband, Jack West.

Criminal Mastermind, occult thief and suspected serial killer Devra Patton West controls senior cult members (from left to right) Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West as though they were marionettes without any choice but to do her bidding.

It must be clear to everyone by now that Devra West is a fraud, a con artist whose knowledge of the occult enables her to commit murder which is then ruled by the authorities as death by 'natural causes.' This 'plausible deniability' has allowed her to get away with murder and other serious financial crimes for the past thirty years or so and along the way attracted low life scum like Geoffrey Reynolds CPA, Julio Williams MD and ex-husband and longtime accomplice, Jack West.

**These three 'bottom feeders'** not only market the suspected serial killer Devra West to the community within which she and the cult are embedded, but they lie and give false witness statements for her when details of her criminality leak outside the cult into the public such as was the case when the Whitefish Pilot and Bigfork Eagle newspapers published details of Devra west's assault on Dr. Cole MD.

A special mention for Geoffrey Reynolds CPA who, after being duped into loaning Devra West his life savings of \$300,000 (just after she was relieved of \$650,000 she told the IRS she did not have), Reynolds was on the hook and willing to do everything she asked no matter how immoral or how illegal. It is obvious from the following 5 points that Reynolds knew the truth about the assault:-

(1). [The Law of Severity on the Path to Purification](#) sent out to all on April 17 2006, to all of Devra West's mailing list wherein she admitted the assault and admitted it was severe! Reynolds would have seen it!

(2). The emails that [Rebecca West](#) sent in March of 2007, make it obvious that he, Geoffrey Reynolds CPA, was fully aware that Devra West had assaulted Dr. Cole MD.

(3). A month later, Reynolds admits to the reporter from the [Bigfork Eagle](#) newspaper to money laundering \$470,000 of the funds extorted from Dr. Cole MD through Devra West's business. This after his predecessor resigned rather than be forced to 'manufacture' false invoices!

(4). While being interviewed by the Bigfork Eagle newspaper Reynolds, in what he thought was an 'off the record' conversation announced that the whistle-blower would be dead within 12 months as a result of what Devra West was going to do to him and his family! Three weeks later Devra West made an unsuccessful attempt on the whistle-blower's life! How many attempts on other lives were successful?

(5). Later in 2007, in an attempt to force Devra West's written admission that she had assaulted Dr. Cole MD from the whistle-blower's website, bottom feeder Geoffrey Reynolds CPA writes to the service provider of the whistle-blower's website and claims copyright on behalf of Devra West of her missive '[The Law of Severity on the Path to Purification](#)' (West's admission of guilt). This leaves no doubt that Reynolds was a fully paid up member of the cult.

Below, are links to senior cult member Geoffrey Reynolds' public statements of denial and his attempts to vilify the press for publishing the truth about Devra West's assault on Dr. Cole MD. Reynolds is currently working for [McSwain & Co](#) based in Olympia WA who are either very forgiving or oblivious of the damage that might occur to their business when Reynolds is eventually and very publicly arrested!

Below here are 30 more examples of **‘world service’** from this occult thief / suspected serial killer Devra Patton West.

**The following examples, in reverse chronological order, occurred during Devra Patton West’s incarnation as the Ascended Master ‘Surya Ma’ in Lakeside Montana between 2005 and 2011.**

1. Arrest Warrant for [Felony Theft](#) December 16 2009.
2. Judgement against Devra West (and son Chris Haywood) [for fraud](#); both had ignored the court proceedings brought against them by ‘Top to Bottom Construction.’
3. Arrest Warrant for [Criminal Check](#) Fraud April 16 2008.
4. Conviction for Assault April 2008; Newspaper article [announcing conviction](#), Devra West’s [written admission](#) of April 17 2006 that she had assaulted Dr. Cole MD, West’s denial and subsequent [clarification by newspaper](#) that West was guilty.
5. [Judgment](#) handed to the whistleblower in October 2008 by a Montana court finding that Devra Patton West had defrauded him; newspaper article in [Ravalli Republic](#) announcing judgment.

*“She remains as utterly free of wrong doing and as ethically virtuous as any human being can be.”*

*Ex-husband and senior cult member Jack West. 2008*

6. On 20 May 2008, Devra West became the subject of a [Sheriff’s Sale](#) to force her to pay \$2,000,000 in court fines and interest to her creditors arising from her earlier **‘world service’** efforts as the Ascended Master Devra Ji between 1995 and 2004.
7. In 2007, Devra West’s criminal activities became the subject of two newspaper articles published in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers. While these two articles are informative, they do not truly show the scope of West’s criminality, most of which is hidden inside the cult.
8. The fraudulent depiction of a multi-million dollar lakeside property on her website and in her brochures as belonging to her; this property described as ‘Surya Ma’s Abode’ in reality, belonged to Robert & Tabby Ivy, who over a two year period repeatedly asked Devra West not to use images of their property. See July 12 2007 [Whitefish Pilot](#) news article for details.
9. Also on July 12 2007, Devra West appeared in court as a witness for her son in his attempt to get custody of his infant daughter from his estranged wife. During her appearance in court, Devra West described her businesses as [multi-billion dollar enterprises](#) even though at the time, she had a lien

against her for [unpaid employment insurance](#) and was in the process of being evicted from two rental properties in quick succession.

10. While in court, she was asked by counsel about the many ex-employees that had posted statements on the whistle-blower's website, alleging that they were mentally and physically abused by her. The Master Liar's response was to say that many of those mentioned on the whistle-blower's site were [fictitious or fabricated](#). Below is a graphic which shows how her 'business model' works; the photograph contains most of the employees (and some students) that Devra West says do not exist!

*Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.*

*Geoffrey Reynolds CPA 2014*

11. Devra West, with the aid of senior cult member [Geoffrey Reynolds CPA](#), had fraudulently applied for \$30,000,000 in CPEA grant money; when the grants were denied Devra West, owing millions in court fines, decided to 'harvest' one of the wealthier members of her cult – Dr. Pat Cole MD.

12. Devra West is a vicious and violent criminal who uses her occult knowledge to terrorize both victims and witnesses into silence. Here is a short excerpt from a harrowing email [entitled 'Help Me'](#) that Rebecca West (no relation to Devra West) sent to the whistleblower in March of 2007 – Rebecca being a friend of Dr. Cole's and a witness to Devra West's brutality towards her.

***"I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her shamanic witchcraft. Can you tell me more?"***

Clearly, the con artist Devra West could not allow news of her brutality towards members of the herd trapped inside her cult to escape into the public domain. It might interfere with her multi-million dollar a year ~~fraud scam~~ ['world service'](#) efforts!

Also in 2007, the whistleblower was contacted via his website by Michelle Fetveit a Lakeside MT neighbor of Devra West's after she got into a 'water dispute' with Devra West. As with Rebecca West (and countless other victims) Michelle reported being the subject of 'occult' attacks and was also woken up at 3.00 am each morning. The whistleblower has never met either of these women and yet they both report being subject to the exact same phenomena – the common denominator being Devra West. Follow [this link](#) to hear what Michelle Fetveit had to say.

13. Around this time Devra West, already a Master in what she calls the malleable fluidity of reality (lies, deceit and propaganda) announced that she was single handedly [holding open the gates of time](#)! This in addition to an earlier statement to her students insisting that her two doctorates were [presented to her by the Christ](#) in person.

14. On or around the 14 April 2006, Devra Patton West viciously assaulted Dr. Pat Cole MD who was both a 'student' and business partner of Devra West's. The assault was part of a well-orchestrated

campaign of violence aimed at extorting \$1.3 million from Dr. Cole, which Devra West succeeded in doing. This story, along with many other crimes being carried out by Devra West at the time, is covered by two news articles that were published by the [Whitefish Pilot](#) & [Bigfork Eagle](#) on July 12 2007 and August 9 2007 respectively; see point (7) above.

*"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."*

*Julio Williams MD 2017.*

15. Following the assault, which shocked many of the witnesses present, Devra West issued a written statement to her entire mailing list seeking to justify the assault by saying that the victim was a Nazi in the WWII death camps in another lifetime and that though the assault was severe, it was at all times administered with grace. Here is a link to the missive she sent out after the assault it is entitled ['The Law of Severity on the Path to Purification'](#) evidence enough that Devra West is a dangerous psychopath. Devra West would later deny that she had assaulted Dr. Cole MD, fail to turn up for court hearings and was found guilty by the courts in April 2008.

**The following examples, in reverse chronological order, occurred during Devra Patton West's incarnation as the Ascended Master 'Devra Ji' in Victor Montana between 1995 and 2005.**

16. In 2005, after her Victor MT charity was struck off, desperate for funds and owing \$2,000,000 in court fines and interest to creditors Devra West, still posing as the Ascended Master Devra Ji, [wrote to her mailing list](#) in an attempt to bully the individual rank and file cult members into giving up to 66% of their net worth to her. Within that missive she made the following statement:-

**"It will be your privilege to seed my financial transition."**

17. In 2005, some eighteen months after issuing legal proceedings against Devra West for fraud, the whistleblower became the subject of a campaign of defamation, character assassination and dirty tricks at the hands of Devra West and her cult. This took the form of a [defamatory statement](#) posted on Devra West's website by three of her cult members amongst them Dr. Julio Williams MD. He also received a [threatening email](#) from Julio Williams MD, stating that he was personally going to fund Surya Ma's legal expenses to the tune of \$2,000,000 and that the whistleblower should not "fu\*k with him or else."

The whistleblower was also advised by a friend still in the cult, that Devra West had ordered her employees to 'manufacture' false statements about the whistleblower or be fired for refusing! [This link](#) leads to an email from a member of the cult, who later retracted her false statement.

18. Ingrid Bayer, a teacher at Devra West's unaccredited school, wrote to the whistleblower stating that her 6 year old son had been abused by Devra West; here is a short excerpt from Ingrid's statement which can be read in full by following [this link](#).

**"I am a firsthand witness to the [physical and emotional abuse](#) from Devra as I experienced it myself, as well as witnessing [the abuse of my 6 year old son](#) by Devra."**

Perhaps Ingrid's 6 year old son represented a threat to the beast's **'world service'** efforts?

19. Lisa Swidler, student and confidant to Devra West, died suddenly and mysteriously of 'natural causes' after witnessing two serious crimes that were committed by Devra West against two other students to West's unaccredited school. Lisa broke away from the cult and died shortly after, leaving behind two small children under age ten. The whistle-blower believes she was murdered by Devra West to keep her quiet.

*"She remains as utterly free of wrong doing and as ethically virtuous as any human being can be."*

*Ex-husband and senior cult member Jack West. 2008*

20. Sometime in 2005, Devra Patton West without a business container to run her fraud scam from and heavily in debt, allegedly kidnapped student [Marion Cantwell](#), held her captive, beat her and only released her after Marion agreed to 'donate' tens of thousands of dollars from the sale of her home to Devra West. I suspect this money was not for **'world service.'**

21. [Dave Kushner](#), a student of Devra West's, was defrauded out of \$30,000 by Devra West this money supposed to be a two week bridging loan. Dave Kushner never got a penny back and Devra West refused to ever speak to him about it. Rather than become a murder victim Dave Kushner decided not to go to the police or to court for restitution even though he had a signed agreement from Devra West in respect of the loan! As Devra West made clear to the whistle-blower in 2003 [her agreements are worth nothing!](#)

22. In 2004, student Mike Hendrickson was defrauded out of \$200,000, as after signing a note at the bank to guarantee the charity's overdraft of \$200,000, Devra West emptied the bank account and put the \$200,000 in a personal trust fund for herself and her eldest son, Rob Meador. Mike is mentioned in the [Whitefish Pilot](#) news article; he too chose to walk away rather than become a potential murder victim.

23. At around this time, the whistleblower received [an email from Judy Morris](#), an ex-student / cult member, that was part of Devra West's European group of students informing him that many of the European students had taken out loans and mortgages to give money to Devra West. They were told, and I quote, "The more they gave the more God would love them."

24. Around this time, according to another student, Elaine, who wrote to the whistleblower in 2009 about a conversation in 2004, Devra West bragged about her ability to attract wealth – no mention of 'world service' here is an excerpt from Elaine's email.

***While Devra is obviously a pathological liar, she unwittingly reveals herself quite frequently because she can't keep her own mouth shut and so loves to brag. This was more than five years ago -- in the course of bragging about her ability to attract wealth, she explicitly stated she doesn't have any bank accounts because she didn't need them in order to be wealthy. She then pointed out that at that very moment she was wearing \$250,000 worth of emeralds. And she implied she had a lot more than what***

*she was wearing. She's so sure she's smarter than everyone else, I doubt the jewels are very far away and I strongly suspect she has at least a million in jewellery.*

*Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.*

*Geoffrey Reynolds CPA 2014*

Maybe the jewelry, precious metals and the millions in artwork and valuables stolen from the Montana charity will be combined to fund her **'world service'** efforts?

25. In 2004, having had her charity, The Circle of Divine Unity, struck off for fraud in November 2003, Devra West perpetrated a massive fraud on that charity which resulted in her stealing a property from the charity paid for by public donation worth \$1,250,000 (2003 valuation) which she put into a personal trust fund for her and her son Rob Meador. Former board member of that charity [AJ White](#) describes the theft of \$80,000 from that charity by Devra West and the conversation she had with Devra West about the charity's finances during which Devra West stated that all the money belonged to her!

26. At the same time, Devra West stole \$4,000,000 (2002 valuation) of artwork and valuables and hid them in a lock-up until the statute of limitations on theft passed, at which time in 2014, these items appeared at auction in Cave Creek AZ and as for sale from her website. In a statement given under oath (she is a compulsive liar) while being [deposed in October 2009](#) Devra West stated that the art work and valuables on a list shown to her by the lawyer did not exist, were not hers and if they did exist were stolen.

These are the very items that were being auctioned by her in 2014 or as for sale from her website; many of these stolen items they are still being advertised for sale as the 'Rishi Collection' from her website under the **'art gallery'** tab. Who says organized crime does not pay.

27. On November 23, 2003, Devra West's charity 'The Circle of Divine Unity' was struck off the Montana charity register after rampant fraud was discovered by Devra and Jack West who were found to be using public money given as donations for certain projects being used to fund their lifestyle costs including the purchase of jewelry by Devra West.

28. In March of 2003, Devra West asked for and was given an opportunity to meet with the whistleblower in private at his property in Victor MT. Notionally the meeting was to see if they could settle their differences without going to law; fearing some kind of trick or stunt by Devra West the whistleblower made an audio recording of their encounter which turned out to be nothing more than Devra West threatening him if he went to law. Here are some of the highlights; follow the links to learn exactly what kind of **'world server'** Devra West really is!

[You are f\\*cking over a spiritual teacher.](#)

[I'll get so f\\*cking down and dirty, huge expenses coming out of your pocket not mine!](#)

[My agreements mean nothing.](#)

[I dispose of people like Kleenex.](#)

29. In 2002, while attending a function held in Montreal by Devra West, student [Beatrice McGuire](#) was viciously assaulted by Devra West to the extent that she needed plastic surgery to repair a torn ear. The reason for the attack was that Beatrice challenged some of the obvious lies being spouted by Devra West. Although the attack took place in front of scores of witnesses, Devra West later stated that her recollection of the incident was different to that of the victim's. None the less, Devra West had her charity pay the medical costs of repairing Beatrice's ear.

*"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."*

*Julio Williams MD 2017.*

30. In 2000, employee [Susannah Felder](#) was viciously attacked by Devra West with the result that Susannah was partially scalped by Devra West. Apparently Susannah had challenged Devra West about an \$80,000 donation that Devra West had stolen from the charity to pay for her son's legal fees. Ex-board member, AJ White's statement deals with this, the theft of the \$80,000 and the assertion that all of the money raised publicly was for Devra West's personal use and not for the stated intentions given when the funds were raised.

Please circulate this email and details of the six websites listed below to your social media listings and email address book; your actions could save someone from being robbed, defrauded, become the victim of extortion or worse.

Thanks for your time,

Richard Squires
