

Subject: Amazing Offer from Rishi Devra AKA Con Artist and Violent Convicted Criminal Devra Patton West.

Dear FBI (IRS and Sedona & Scottsdale Police Departments),

We believe that Devra West is using her seminars meetings and intensives to identify wealthy victims who are then targeted for extortion as has been the case for the past 27 years. Victims get no help from the police who find it hard to believe that what they are saying [Devra West's use of the occult] is true. Devra Patton West relies on this fact as do the senior members of her cult - a cult built around Ms. West's ability to literally commit crimes on an industrial basis and get away with it. In fact Devra West's entire justification for promoting herself to the status of a minor deity is her ability to run rings around the police and the judicial system.

Her criminal / racketeering business model is now operating in Arizona where Ms. West is masquerading as a demi god offering people things that she cannot possibly deliver. Please review the information below. Thank you.

## Amazing Offer from Con Artist Devra Patton West

**Rishi Devra, AKA Con Artist and Violent Convicted Criminal Devra Patton West, is Currently Auditioning for new Victims in Sedona & Scottsdale AZ.**

*Above left: Devra Ji 1995 to 2005. Second left: Surya Ma 2005 to 2010. Third left: Rishi Devra the third fake identity in 13 years. Center: Description of a narcissist. Third right: Photo from one of two arrest warrants issued in Montana. Second Right: West a narcissist and compulsive liar who denies her criminal racketeering past in spite of a scores of victims and a mountain of legal documentation and newspaper articles which prove otherwise. Far right: A card carrying Satanist who works with demonic entities to terrorize victims.*

**The Offer - Pay her \$2,000 so that she can ascertain if you are worth targeting as a victim of theft, fraud and extortion!**

The following propaganda piece (parts of which can be seen below here) was sent to her mailing list recently; the full missive can be found by [going here](#).

- ❖ If you are on Devra West's mailing list or know anyone who is who would be prepared to forward either the list or a recent email (we may be able to recover the list from the 'BCC'd' window) please respond to this email. This will help us save many more victims.

The first image below, is a photo of Devra Patton West wearing the uniform of a guru (yards of blue curtain material slung over her shoulder) while holding a couple of roses.

I guess the white roses she is holding are a subliminal message, intended to convey the impression that this card carrying Satanist is pure. The photo is also staged to make it look like she is addressing some adoring student / sheeple / serf from her throne. Here is how the con works. She tempts spiritual seekers by making outrageous claims about herself that cannot possibly be true (all allowed under religious freedom laws). Here are some of the latest titles she has announced for herself.....

### [The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

### [THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

All this deceit and propaganda is wrapped up in a website and marketing blitz, that costs hundreds of thousands of dollars and paid for by organized crime, in the hope of attracting more victims to:-

Remember, like any Satanist Devra Patton West will lie, cheat and deceive in public and do something completely different in private. Like Hitler and his propaganda minister, Devra West keeps repeating the same lies over and over again in the area that she and her cult are embedded within in until the public no longer swallow the 'divine being' routine at which time they move to another western state where they either do not understand 'white collar' crime or do not have the resources to prosecute it.

Devra West actually admitted all of this to the whistleblower in a private meeting they had in March 2003, unaware that she was being recorded. Here are some of the statements from that recording:-

### **WARNING FOUL MOUTHED PLANETARY REGENT!**

1. [The truth does not actually matter \(if you can convince the public and a court of law that your lies are truth!\)](#).
2. [Yes I dispose of people like Kleenex.](#)
3. [My agreements are not worth anything.](#)

In Devra Patton West's case private means inside her cult / criminal racketeering gang. Below here some 'divine grace healings' she administered to souls in Montana.

**Evidence of past 'Divine Grace Healings.'** From left to right: **Susannah Felder**; second left **Beatrice McGuire**; center **Dr. Pat Cole MD**; second from right **Ingrid Smith's son**; and far right the golden Labrador dog that was abused by Devra West.

These include violent assaults on three female members of her cult. Susannah Felder, Beatrice McGuire and Dr. Cole MD (all employees and students). [Susannah partially scalped](#) after challenging Devra West after she caught her stealing \$80,000 from the charity. [Beatrice had part of her ear ripped off](#) in front of a crowd at a seminar after challenging West's lies. [Pat Cole was repeatedly hit over the head](#) with the heel of West's shoe until blood ran down the victim's blouse.

The next image (below here) includes more bait for the sheeple (sheeple = those who cannot tell the vibration of a Satanist from a Saint) in the form of a statement that offers to share "sacred knowledge that will be shared for the first time on our planet" all for a small fee of \$2,000 for a 4 day seminar!

What Devra Patton West is doing, brilliantly I might add, is inviting future victims of theft, fraud, extortion and mental and physical abuse to attend auditions / meetings with her during which she,

using remote viewing and other occult knowledge, will see if they are sufficiently wealthy enough to be worth being targeted by her. And she is charging them each \$2,000 for the privilege! Brilliant!

Once she has identified who the wealthy punters are, they're targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee. In reality Devra West, having identified a wealthy target, induces the symptoms of a serious illness in the victim using the same occult knowledge she uses against those who oppose (see above).
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Devra West has been perpetrating this extortion racket for at least two decades. Two of her admin staff who worked for in 2002, overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

In the image from her recent newsletter, Devra West states that she, and I quote, "sacred knowledge will be revealed for the first time on our planet." We have some sacred knowledge of our own to reveal; knowledge that Devra Patton West tried to murder the whistleblower to stop you knowing about. Jesus said "ye shall know them by their fruits." On the subject of Jesus, when asked by one of her students where she got her two degrees from Devra Patton West replied that her two fake doctorates were awarded to her by [the Christ in person!](#) Similarly, a statement posted on her website in 2007 asserts that she is, and I quote, "[Holding open the gates of Universal Time.](#)"

***Remember, the truth does not actually matter (if she can convince the public that her lies are their truth!) which is why.....***

¶1 Pursuant to Section I, Paragraph 3(d)(v), Montana Supreme Court 1996 Internal Operating Rules, as amended in 2003, the following memorandum decision shall not be cited as precedent. It shall be filed as a public document with the Clerk of the Supreme Court and its case title, Supreme Court cause number and disposition shall be included in this Court's quarterly list of noncitable cases published in the Pacific Reporter and Montana Reports.

¶2 Chris Haywood (Haywood) appeals an order in the Eleventh Judicial District Court denying his motion to set aside a default judgment against him. We conclude the District Court did not err in denying Haywood's motion and affirm its decision.

Haywood states that he is the project manager for Sanctuary Environments, LLC (Sanctuary), a business which is involved in buying and remodeling homes and then selling them for a profit. In December 2006, Haywood contracted with plaintiff and appellee Matthew West (West), d/b/a Top to Bottom Construction, to have West build a concrete patio and deck at Devra's house which is located at 525 Political Hill in Lakeside.

*A self-styled clairvoyant and spiritual healer from Lakeside who claims the Osprey House on Angel Point as a future VIP spa faces criminal charges stemming from an alleged assault on a Whitefish doctor. Devra Patton West's goal of opening a series of healing spas -- including one in Whitefish -- has been stalled while she fights allegations ranging from **black magic to fraud, extortion and breach of contract.***

*A temporary restraining order against West, who calls herself Surya Ma, was issued by Judge David Ortleby last October after Dr. Patricia Cole, of Whitefish, requested protection. Cole was the director for one of West's ventures, The Sacred Archives Institute. They worked together for several years. In her statement to the county sheriff's office, Cole claims West abused her verbally and physically.*

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement. Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand. "She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself." Photos taken after the alleged beating were submitted to the sheriff's office.

**9. SACRED KNOWLEDGE** – The Ravalli Republic covering the whistleblower John Watson's win in court against Devra Patton West for defrauding him.

**Business partner of Victor Guru wins lawsuit**  
by JOHN CRAMER - Ravalli Republic

**The former business partner of a self-styled spiritual guru in Victor was awarded nearly \$800,000 on Thursday in a civil case in Ravalli District Court. Judge Jeff Langton awarded John Watson \$730,000 in compensatory damages and about \$46,000 in attorney fees and costs, but denied his request for \$300,000 in punitive damages.**

**Watson, a British native who now lives in Canada, sued Devra Patton West in 2003 for breach of contract, fraud and unjust enrichment. The case was heard in Ravalli County because West's home and business operations - the Divine Unity Foundation and the Sacred Archives Institute - were in Victor, where Watson also lived. Langton entered a default judgment against West, who calls herself Surya Ma, on July 16 after she failed to show up for a number of court hearings and to respond to court deadlines.**

**West did not attend Thursday's hearing. Her business manager, Geoff Reynolds, attended but declined to comment and said West would not comment. Watson said West was a "crook" who operated a "cult." He said she "brainwashed" people into giving her money - in part by falsely claiming to have a doctor of philosophy degree and a doctor of divinity degree - and turned them into "slaves" who did menial tasks at her bidding.**

You can read the full article by going following the link to the [Ravalli Republic](#).

What follows are statements made by her gang / cult members in response to three newspaper articles about her criminal activities in Montana, which included multiple counts of theft, fraud, extortion, violent assaults, threats of murder, attempted murder and at least one actual murder. Below, is what Messrs. [Reynolds](#), [Williams](#) and ex-husband [Jack West](#) had to say about these matters.

As you will see if you review the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers gang member Geoffrey Reynolds CPA was involved in money laundering hundreds of thousands of dollars stolen from Dr. Pat Cole. When the whistleblower went public about Devra West's activities Geoffrey Reynolds joined with her in a failed attempt to murder the whistleblower.

**Above 1 & 2: The weapon used by Devra West to facilitate criminal acts of theft, fraud and extortion is not recognized as a weapon under legal statute therefore it is difficult to bring a successful criminal or civil prosecution against Devra Patton West. The same weapon is used to murder those who go public.**

However, when the whistleblower turned up to court to hear what he had been awarded for winning his fraud lawsuit against Devra West, he was served for defamation by West & Reynolds for telling the truth about Devra West. Because he was unable to afford to travel to the US to defend the frivolous lawsuits Devra West and senior cult / gang member Geoffrey Reynolds (who never met the whistleblower lied to the court making totally [false statements](#)) were given default judgment and awarded \$5,000,000 each.

Reynolds is now working for [McSwain & Co.](#) a firm of accountants based in Olympia Washington – I am sure his criminal / racketeering skills were not declared to his new employer when he was hired!

**This is how criminals work if they cannot intimidate you or murder you they use millions of dollars from organized crime to 'buy' the law they want. In this way Devra West was able to neutralize the whistleblower's win in court against her and hide details of her past from the public in Arizona – this is called a criminal conspiracy.**

### WHAT IS WRONG WITH THIS PICTURE?

**10. SACRED KNOWLEDGE - Transcript of Custody Hearing.** For a very revealing look into Devra West's true nature (satanic), one need look no further than the transcript of the custody hearing at which Devra West's porn loving wife beating son, Chris Haywood, sought custody of his infant female daughter from its mother (his ex-wife) Jamie Haywood. Here is an excerpt from that transcript where Jamie Haywood talks about a physical fight between Devra West and her son which took place in front of the entire family.

		91
1	A. First she licked him from the chin up and	
2	then Chris had pushed her into the wall, told her to	
3	knock it off, you'll never do that to me again. And	
4	that's when she went like this (indicating) -- he	
5	couldn't go to his doctor's appointments because of the	
6	way his face looked.	
7	Q. Okay. And he held her by her throat?	
8	A. Up against the wall, yes.	

There is much in this transcript that is of great value, if you wish to know the truth about Devra West. Other topics of interest are Devra West's use of the occult against her daughter in law to try to intimidate her into handing over her infant daughter to West's son who according to Jamie Haywood's testimony liked to 'jack himself off' in front of the TV while watching porn even when her friends were in the house. Chris Haywood also has an [FBI record](#) for forgery, substance abuse and traffic violations! The apple never falls far from the tree! Below is an excerpt, which shows that Devra Patton West lied under oath about assaulting Dr. Pat Cole MD. [Go here](#) to read Devra West's statements to the court. [Go here](#) to read Jamie Haywood's account of what it was like to live with Devra West as part of her dysfunctional family.

7 Q. Isn't it true that there is currently pending  
8 against you in Flathead County a misdemeanor assault  
9 charge?  
10 A. That is true, however, that is associated  
11 with a financial dissolution wherein the individual  
12 embezzled, misappropriated funds, so he committed fraud  
13 and there's a lawsuit -- a counter lawsuit for her as  
14 well.  
15 Q. And you assaulted that person?  
16 A. Absolutely not. No way, no how -- absolutely  
17 not.

Devra West gets flustered while telling lies and mixes up the two of the many lawsuits she was involved with at the time as the defendant. In respect of the assault, she refers to 'he,' meaning the whistleblower, John Watson, who had a fraud lawsuit against her, falsely accusing him of embezzlement, misappropriating funds etc. which were the charges laid at Dr. Cole's feet – not the whistleblower's. She corrects herself and says there is a lawsuit against her, Dr. Cole MD, as well. She then goes on to deny she assaulted Dr. Cole MD when everyone knows she did. How does everyone know? Well apart from the police report and the newspapers Devra Patton West, disguised as the Ascended Master 'Surya Ma' wrote to her entire mailing list on April 17 2006, admitting the assault and admitting it was severe. Here is a short excerpt of her missive entitled, ['The Law of Severity on the Path to Purification'](#), just so that you have a glimpse into the mind of a narcissist / psychopath.

## *The Law of Severity on the Path of Purification*

Response to the Call of Master Surya Devi for Review

April 17, 2006 From Master El Morya of the Shamballa Counsels

What must be taken into account in all matters of review on the part of the Shamballa Counsels is the surrounding circumstances and the root motivation that is at play within any given matter of cause and effect or in the case of Surya Ma's actions the matter of singular cause aligned in Divine Will. We therefore have come to the following determination:

At no time has Surya Ma's intentions been rooted in anything other than the highest of grace despite the seeming severity that was meted. And we are witness to the sacrifices that she has made on behalf of the awakening of those who are placed in her charge and on behalf of the Divine Plan itself. She has offered up very resource and body, mind and soul

**11. SACRED KNOWLEDGE - Devra Patton West's Deposition Statement.** Below is the front page of a statement Devra Patton West gave to the Montana court in 2009 while being deposed by the whistleblower's lawyer. The purpose of the interview, amongst others, was to find the millions of dollars' worth of artwork and valuables that Devra West had stolen from her charity.

D E P O S I T I O N  
OF  
MS. DEVRA PATTON WEST

Devra West, a card carrying Satanist and head of a criminal racketeering gang, lied throughout her statement, as was expected by all. One of the biggest most obvious lies told by Devra West was about the whereabouts of an estimated \$4,000,000 (as valued in 2002) of artwork and valuables. In the [deposition statement](#) she asserts that while she recognized the list of artwork and valuables shown to her, she insisted that she had given up all of her possessions and that the items mentioned on the list must have been lost or stolen.

25 Q. Did you ever have numerous pieces of art?  
Page 61

1 A. At one point in time I had some art. Again,  
2 a great deal of it was stolen as well.  
3 (Exhibit I marked for Identification.)  
4 Q. If you would take a look at that, Ms. West.  
5 Have you seen that document before?  
6 A. Yes, I sure have.  
7 Q. Can you tell me what it is?  
8 A. This was created by some of the non-profit  
9 people. It was shown to me. They were trying to I  
10 believe at the time convince me to become involved in  
11 trying to -- they were trying to not lose the  
12 property down there. It was I think -- I'm thinking  
13 they were late on their payments or whatever. So  
14 this was created by a couple of people.  
15 Most of it is pretty far-fetched. I mean I  
16 can tell by looking at it that the monies -- and I  
17 told them that I thought this was ridiculous. I  
18 thought that, you know, it was pretty crazy. I mean,  
19 I really walked away from my life. I walked away  
20 from all of my possessions. All of this stuff was  
21 left at Naka Shela for over a year and a half. The  
22 property has been entirely furnished with my personal  
23 family's furniture and so on. And by the time they  
24 got around to actually transporting my items back to  
25 me, well over half of it had been carted off. Entire

Page 62

1 rooms full of furniture were missing, had been carted  
2 off, as well as a great deal of this.  
3 Anything that was really of value has been  
4 sold. I mean, I know that I sold a few things way  
5 back when years ago. Do you have any other questions  
6 about this? I didn't create the list.  
7 Q. Who did create it?  
8 A. It was not my doing. It was not something  
9 that I created or wanted to create or participated in  
10 creating it. I know that perhaps -- I really  
11 couldn't say. I know who might have been involved; I  
12 really couldn't say who actually did it. The  
13 organization was so loosely formed and  
14 scatter-brained, and they never really had specific  
15 committees other than in lip service. You know, they  
16 would come to these retreats and gather together in  
17 little circles. But once everybody went home you  
18 never knew who was doing what. It was pretty hard to  
19 tell.  
20 I think an Esther, somebody named Esther  
21 that they had had for a consultant there for a while,  
22 I recall her being the one who actually gave me this.  
23 Q. Esther Michaels?  
24 A. Maybe so, correct. I know a large gal with  
25 dark hair --

Above: Devra West giving a statement under oath to the whistleblower's lawyer wherein she denies any knowledge of the artwork and valuables that belonged to the charity. In 2014, some ten years after these items worth \$4,000,000 in 2003 went missing, they turned up at auction in Cave Creek AZ and listed on her [website](#).

Some ten years after they went missing, and after the statute of limitations on theft had passed, all of these items showed up on her website for sale, or as being auctioned for sale by her.

Above left some of the items at auction or for sale by Devra Patton West; items she stole from the charity in Victor MT when she was calling herself the Ascended Master Devra Ji and which turned up in Arizona where she reincarnated as the Ascended Master Rishi Devra. Geoffrey Reynolds CPA above right overseeing the sale of stolen property.

Here is a [link to her deposition statement](#). And here is [a link to an in depth analysis](#) of her statement wherein Devra West admits to being \$2,000,000 in debt, states she is living penniless in an RV in the garden of Geoffrey Reynolds' house.

**Above left: The Master Liar Devra Patton West asserted that she was living in an RV in the back of Reynolds' garden. Center and right: A couple of weeks later she was living in a mansion; the first of her Arizona 'Abode of the Masters.' In her delusional world this narcissist views herself as being the Master of all she surveys.**

As if by magic, a couple of weeks later she was living in \$7,000 gated community in Carefree AZ. This is what organized crime / racketeering looks like; lies, deceit and pleading poverty in court and then shortly afterwards living in luxury on the spoils or organized crime / racketeering.

Please circulate this to your mailing list, as to do so may save someone in the spiritual / metaphysical community in Sedona or Scottsdale from being the victim of extortion or much worse. The 'seminars' due to be held on the following dates are clearly intended to be the latest round of 'auditions' for the next raft of victims. The dates again to avoid are:-

***Walk the Path of Ruin with Devra Patton West.....***

## ***Sedona Gateway Retreats - Intro to the Path of Enlightenment***

***May 26 thru 29th   July 28 thru 31   Sept 2 thru Sept 5***

***Oct 18 thru 21   Dec 1 thru 7***

Avoid these dates like the plague, and advise others in the Sedona / Scottsdale spiritual communities to do the same. It must be obvious to all that someone with a history like Devra Patton West has nothing to teach others about enlightenment!

Richard Squires.

**CONVERT CULT MEMBERS TO CASH!**

We have used this illustration before several times in previous YouTube videos as it explains visually what Ms. West is all about and just how her business model works. In January 2002 the whistleblower John Watson unwittingly became a victim of Ms. West's 'meat grinder' approach to crime after he joined a meditation group ran by Jack West, Ms. West's then husband, not far from where he lived in Victor MT.

Meditation groups and 'Meet Up' groups as advertised on social media are a favorite way for the West's to recruit victims into their cult. Of course when the whistleblower first attended the meditation group in November 2001 he had no idea that his subsequent recruitment as a consultant to work on business projects would, within 6 months, lead to him being defrauded out of the shares and salary that he was promised upon completion of the work. And he could not have possibly conceived in his wildest dreams the amount of venom and spite that would be directed towards him during the following decade or so while he sought justice from a legal system ill equipped to deal with someone as evil and corrupt as Devra Patton West.
