

'WANTED' POSTERS' for Cult / Gang Members Devra Patton West, Geoffrey Reynolds & Julio Williams.

Devra Patton West for 27 years the leader of a cult / criminal racketeering gang operating outside the law and beyond its reach because legal statute does not recognize the occult as a 'weapon.' As a result she robs, thieves, extorts and murders. She outwits the police and the law courts and with the ever threat of murder cowers victims and witnesses into remaining silent. As each year passes without her arrest she becomes convinced that she is a God and that like any apex predator it is her right to prey on lesser beings.

HAVE YOU SEEN THIS FAKE GURU?

The Ascended Master 'Rishi Devra' AZ (2011 to Present). The Regent of the Rishi's (2016 to Present). Criminally Insane (1991 or earlier to Present).

Con artist and violent convicted criminal Devra Patton West also refers to herself as 'The Sage of Sedona.' & "The Regent if the Spiritual Hierarchy of the Western Hemisphere.' & 'The Light that stands behind leaders and world servers across the globe.' She asserts that she can deliver 'Divine Grace Healings' and 'Dispensation of Karma' to wealthy spiritual seekers for a six figure sum (she was charging \$500,000 in 2002).

Geoffrey Reynolds CPA a totally corrupt individual lacking a moral compass and a single shred of integrity agreed to be an accessory to be complicit in a plot to murder the whistleblower John Watson in 2007, and when that failed, partnered Devra West in a 2010 criminal conspiracy to extort \$10,000,000 from John Watson. Reynolds agreed to do this, and much more, because he had been duped into loaning his life savings to Devra West and the only way to get it back was to agree to murder a total stranger, and when that failed, conspired to bankrupt him.

---	---	--

Geoffrey Reynolds CPA currently working for McSwain & Co accountants. In 2006 he money laundered \$460,000 that his 'employer' extorted from a local doctor. In 2007 Reynolds was complicit in a plot to murder a witness who turned whistleblower against his cult leader Devra Patton West. When that failed in 2010 Reynolds agreed to be part of a \$10,000,000 extortion scam to bankrupt the whistleblower.

Dr. Julio Williams MD hails from the Dominican Republic where Voodoo is one of the official religions. In 2002 he joined Devra West's Satanist black magic cult as a student with the aim of copying her use of the occult to control and manipulate the lives of others; as you can see from his actions he is one of her top students! At the hospitals where he works he pretends to be a respectable physician however out of sight of his medical colleagues he provides the leader of his cult / criminal racketeering gang with other skills. As part of his efforts to present himself as a respectable physician he made a video for the Yakima Regional Hospital where he works. You can view that video by going [here](#).

Above: Dr. Julio Williams masquerades as a respectable physician / thoracic surgeon but hidden from the view of his medical colleagues is his membership of a cult / criminal racketeering gang led by Devra Patton West.

He has funded organized crime to the tune of hundreds of thousands of dollars. He has, when requested to do so by Devra West, sent a threatening email to the victim of fraud at her the hands. And, hoping to intimidate the whistleblower into withdrawing his fraud lawsuit against Devra West, he promised to fund his cult leader's legal fees to the tune of \$2,000,000. Williams is also complicit in a recent attempt to murder the whistleblower and, in that regard, has received some 300 plus emails from the John Watson, the whistleblower, over the past 3 to 4 years about the ongoing campaign of intimidation from Devra West directed at Watson and his family. Williams has declined to share the emails with the police. We are not surprised as to do so would make him an accessory to attempted murder.

WANTED

JUSTICE FOR VICTIMS OF HIS CULT

Dr. Julio Williams MD

FOR IMPERSONATING A CARING PHYSICIAN AND FOR LINKS TO THE OMNI-AWAKENING CULT / CRIMINAL RACKETEERING GANG LED BY OCCULT THIEF / SUSPECTED SERIAL KILLER DEVRA PATTON WEST.

LAST SEEN AT ESSENTIA HEALTH FARGO ND, HENDRICK MEDICAL CENTER ABILENE TX AND YAKIMA REGIONAL MEDICAL & CARDIAC CENTER.

Above from left to right: Dr. Julio Williams MD as he appeared in a promotional video. Williams cannot wash his hands of his involvement in Devra West's cult / criminal racketeering gang. Apart from 'marketing' Devra West to the public as a 'miracle healer' he is also part of her 'black opps.' team. His threats to a whistleblower who was suing his cult leader for fraud and his current complicity in a plot to murder that whistleblower is well document in over 300 emails. Dr. Williams on bended knee before the leader of his cult Devra Patton West.

Before we analyze the role of Geoffrey Reynolds CPA and Dr. Julio Williams MD in two very serious crimes committed by Devra Patton West, let me state the obvious by saying that neither of these two individuals are what they claim to be.

Geoffrey Reynolds CPA. To be clear, no 'normal' employee would turn a blind eye to [serious crimes](#) being committed by his employer against other employees – Geoffrey Reynolds did. No 'normal' employee would make [false statements to the press](#) and publish [multiple statements](#) on his employer's website denying a crime (the assault on Dr. Pat Cole MD) that he knew his employer had committed.

No 'normal' employee would agree to conspire with their employer to [murder a total stranger](#) that his employer had a legal dispute with – Geoffrey Reynolds did. No 'normal' employee would, after the murder plot failed, agree to make totally [false statements to a court](#) about a total stranger on behalf of his 'employer' for the purposes of conspiring to bankrupt that person his employer had a legal dispute with – Reynolds did.

Dr. Julio Williams MD. No 'normal' friend, associate or colleague would agree to post a [defamatory statement](#) about a total stranger on Devra West's website – Williams did. No 'normal' friend, associate or colleague would agree to send a [threatening email](#) to a total stranger for the purposes of intimidating the stranger into dropping his lawsuit against Devra West – Williams did. No 'normal' friend, associate or colleague would offer [to donate \\$2,000,000](#) to fund Devra West's legal fees against a stranger she defrauded – Williams did. No 'normal' friend, associate or colleague would agree to buy a domain name, pay for a website that hosts a totally false statement ([analysis here](#)) asserting that the injunction Devra West 'bought' by outspending the whistleblower in a series of civil lawsuits was instead the result of an investigation by a judge into a cyber-extortion scam against Devra West – Williams did.

NO NORMAL EMPLOYEE, FRIEND, ASSOCIATE OR COLLEAGUE WOULD BEHAVE IN THIS WAY BUT MEMBERS OF A CULT / CRIMINAL RACKETEERING GANG WOULD AND HAVE AS YOU WILL SEE.

Let us now look at the 'timeline' of two serious crimes committed by Devra West against Dr. Pat Cole MD (her student and business partner) and John Watson a business consultant; the latter later turning whistleblower against Devra West and her cult / criminal racketeering gang. Let us also analyze the role that Reynolds and Williams played in attempting to intimidate and character assassinate both victims of crime at their cult / gang leader Devra West's hands. Additionally, Reynolds willingly agreed to participate in a plot to murder the whistleblower in 2007 and when that failed, joined with Devra West in a conspiracy to bankrupt him in 2010.

Above left: Dr. Pat Cole MD recruited for one of Devra West's 'save the world' schemes. Dr. Cole had her entire net worth of \$1.3 million extorted from her by Devra West. These 'save the world' schemes are intended only as a focus for fund raising however the tens of millions of dollars raised over the past 27 years always end up in Devra West's personal bank account. Above right: The whistleblower John Watson reported the massive fraud to the authorities which resulted in Devra West's charity being struck off for fraud. In response Devra West, with the help of cult members Geoffrey Reynolds CPA and Julio Williams MD, attempted to murder him and bankrupt him.

TIMELINE OF REYNOLDS & WILLIAMS ACTIONS ALL ORCHESTRATED BY CULT LEADER DEVRA WEST.

Or are they the actions of an ass licking cult / gang member seen above on bended knee before his Master.

2007 August

While giving interview to Bigfork Eagle Reynolds* denies Cole's injuries were caused by an assault. He also states that John Watson will be dead within 12 months or in jail for reacting to what Devra West is going to do to him and his family. [11]

Narcissist Occult Thief / Suspected Serial Killer Devra Patton West masquerading as the Ascended Master Rishi Devra. West's third fake identity in fourteen years!

Devra West found guilty of assaulting Dr. Pat Cole MD. [14]

Devra West posts a statement on her website denying she was found guilty of assaulting Dr. Cole and asserts that the charges against her were dismissed and that Dr. Cole MD was part of an extortion scam against her! [18]

*Devra West deposed by John Watson's lawyer. During her statement she professes to be \$2,000,000 in debt and living in a caravan in **Geoffrey Reynolds** back garden. She claims that Reynolds is the money mastermind and that art work and valuables worth \$4,000,000 in 2002 was lost or stolen by others (continued opposite). [20]*

With all the above FACTS and much more published on John Watson's website Devra West's criminal racketeering business model is finished in Montana as no one believed her lies about being a guru / divine being (continued opposite).

2007 August

*Just as **Reynolds** predicted Devra West made a failed attempt to murder John Watson using the same occult knowledge she used to successfully murder Lisa Swidler in 2005. 2009 October

The lost artwork and valuables (mainly paid for by public donation) later turns up at auction and as for sale from her website in 2014. Exactly ten years since the statute of limitations on theft expired. These stolen items can be seen on her website by going to the 'art gallery' tab. [21]

2009 December

An Arrest Warrant issued against Devra West for Felony Theft. [22]

2009 to 2010

*With Devra West's 2007 attempt to murder the whistleblower John Watson ending in failure she and stooge / accomplice **Reynolds** devise Plan 'B' and wait for him to return to Montana to attend the award hearing after winning his fraud lawsuit against Devra West.*

<p>John Watson travels from Nova Scotia Canada to attend damages hearing in Montana to see what he was going to be awarded for winning his fraud lawsuit against Devra West in 2008. While waiting to enter the court he is served two defamation lawsuits by Devra West and her stooge Reynolds (continued opposite). If criminals cannot intimidate you or murder you they 'buy' the law they want.</p>	<p>2010 March</p>	<p>Unable to afford to travel backwards and forwards to the USA to defend against two more lawsuits West and Reynolds received default undefended judgments in the amount of \$5,000,000 each. Reynolds's pleadings to the court were totally false in that he maintained that he was defamed by John Watson from 2002 onwards some <u>four years before he commenced his employment with Devra West in 2006!</u> [23]</p>
<div style="display: flex; align-items: center;">  <div style="border: 1px solid black; padding: 5px; width: 100%;"> <p><i>Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.</i></p> <p>Geoffrey Reynolds CPA 2014</p> </div> </div>		
<p>Devra Patton West moves into a \$7,000 a month mansion in Cave Creek AZ (after declaring in 2009 under oath that she was \$2,000,000 in debt and living in a caravan in Reynolds back garden in Montana!) Shortly afterwards reincarnates herself as the ascended Master 'Rishi Devra' it being the third fake identity in the third western state in 15 years (continued opposite).</p>	<p>2011 to Present</p>	<p>Since 2011 Devra West has awarded herself many accolades which includes the 'Sage of Sedona' and 'The Regent of the Spiritual Hierarchy of the Western Hemisphere.' She also maintains that she is a "blessing to all souls" and that as "an instrument of mercy" she is able to give 'divine grace healings' and dispense karma. All for a six figure sums! [24]</p>
<div style="display: flex; align-items: center;">  <div style="border: 1px solid black; padding: 5px; width: 100%;"> <p><i>"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."</i></p> <p>Julio Williams MD 2017.</p> </div> </div>		
<p>When the truth about Devra West's criminal past as the Ascended Masters Devra Ji & Surya Ma, in New Mexico and Montana, start turning up on the internet cult member and 'liar for hire' Julio Williams MD acts again to deny the truth by posting a propaganda piece on the internet in the name of 'cyber security' (continued opposite).</p>	<p>2018 January</p>	<p>Instead of telling the truth, which was that that the injunction obtained against John Watson came about after West and Reynolds's frivolous lawsuits went undefended, Williams instead chose to totally misrepresent the facts. He did this by falsely asserting that a Judge exposed a cyber-extortion scam against the Rishi. Anyone with a brain knows that Judges do not act as investigators. [25]</p>
<p>In the past four years or so Julio Williams has received some 300 plus emails from John Watson, the whistleblower, complaining about the occult 'under the radar' violence being directed at him by his occult Master Devra Patton West. Williams has never responded to any of these emails how could he as he is a part of Devra West's murderous cult / criminal conspiracy. Williams grew up in the Dominican Republic where one of the official religions is Voodoo. Being an 18 year apprentice to a white witch must be like a dream come true to someone of Williams's background and total lack of integrity. Hence Williams's description of Devra West as, and I quote, "A virtual wellspring of living divinity." End quote. [26]</p>		

APPENDIX.

1. Watson, hired as a consultant on the promise of pay and shares, was defrauded by West, who in 2007 denied there was any business contract at all. Copies of their [business cards](#), a [personal guarantee](#) signed by him and West and [a letter to her lawyer](#) asking him to dissolve their business arrangements prove otherwise.
2. After the whistleblower, John Watson, announced that he was going to launch a fraud lawsuit against Devra West, she asked to meet with him privately at which she agreed that she had defrauded him, that [her agreements were worthless](#), that she [disposed of people like Kleenex](#) and that if he went to law against her [she would get so down and f*cking dirty huge expenses coming out of his pocket but not hers](#) as cult members Williams would pay for her legal expenses. After John Watson said what about the truth and honesty? Devra West stated [that the truth does not matter](#) (as she could persuade the public that her lies were their truth). Watson recorded the entire meeting excerpts of which you can listen to by following the links. [Williams later put up \\$2,000,000 to cover her legal expenses!](#)
3. [Certificate of Revocation](#) showing West's charity The Circle of Divine Unity was struck off the charity register for fraud.
4. Devra West, as you can see from her actions, uses her minions in the cult to intimidate and character assassinate those who make a stand against her or tell the truth against her. In 2005, Williams and two other cult members [posted a defamatory statement](#) against the whistleblower on West's website. Why would total strangers to the whistleblower do this?
5. In April of 2006, Devra West viciously assaults Dr. Pat Cole MD as part of a campaign of violence orchestrated by Devra West whose objective was to separate Dr. Cole MD from her entire net worth of \$1.3 million, which Devra West succeeded in doing. A couple of days later, she [wrote to her entire cult mailing list](#) announcing that the beating she had meted out on Cole was severe but was long overdue as Cole, she asserted, was a Nazi in the WWII death camps in another lifetime! You cannot make this stuff up!
6. In September of 2006, Geoffrey Reynolds travels from California to take up employment with Devra West, in what he thought was a 'normal' corporation. He was immediately duped into loaning Devra West his life savings of \$300,000 and thereafter, fell immediately under her control such that he agreed to participate in lies, propaganda, a murder plot and false statements to a court as part of West's conspiracy to bankrupt the whistleblower for going public about her criminal racketeering business model. Office manager at the time, Rebecca West, (no relation to Devra West) makes it clear in [her emails to the whistleblower](#) that Reynolds' only concern was hanging on to his CPA license and his marriage, rather than reporting West's crimes to the police.
7. In November 2007, cult member Julio Williams MD, obviously at Devra West's request, writes [a threatening email](#) to the whistleblower telling Watson not to f*ck with him and stating that he was giving \$2,000,000 to West to fund her legal fees; the clear implication being that Devra West could outspend the whistleblower in court so he had better drop his fraud lawsuit against her!
8. The whistleblower receives several emails from [Rebecca West](#), a copy of a ['Statement of Fact'](#) sent by Carlida Finch to the authorities about the dangerous working environment and one email from [John Mark Young](#) about the crimes being committed by Devra West against her employees chief amongst those Dr. Pat Cole MD.
9. & 10. On July 12 2007 the [Whitefish Pilot publishes a story](#) about West's assault on Dr. Pat Cole MD. This well researched article also mentions several other crimes being committed by Devra West in the Flathead Lake area of NW Montana. Immediately the senior members of West's cult publish denials from her website. Four from Reynolds [1](#), [2](#), [3](#) & [4](#). Two from Williams [1](#) & [2](#). One from ex-husband [Jack West](#). One from [Dani Osborne](#) (West's masseuse) and one from employee [Bret Jahola](#). All statements appeared on the same day and looked like they were all written and authored by Devra West.
11. The [Bigfork Eagle](#) publishes a story about West's assault on Cole and carries new information about West's criminality, lies and propaganda. While being interviewed by the Bigfork Eagle news reporter Constance See, Reynolds whose employment started six months after the assault on Cole, stated that Cole's injuries were caused by a fall and not by Devra West even though Reynolds had a copy of West's written admission that she had assaulted Cole sent out to the entire cult on April 17 2006.

Reynolds also stated, in what he thought was an 'off the record conversation' that John Watson would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family! Constance See passed Reynolds' threat on to a criminal investigator for the IRS who was investigating West's finances at the time.

12. Just as Reynolds predicted, Devra West made an attempt several days later to murder the whistleblower using the same occult knowledge that she used to murder [Lisa Swidler in 2005](#) and perhaps others. Also just as predicted by Reynolds, Devra West mounted a campaign of occult 'under the radar' violence against the whistleblower and his family, in an attempt to either intimidate him into giving up his lawsuit / campaign for justice or have him react in a way that sent him to jail for trying to 'take out' Devra West; just as another victim tried to do in 1995 when Devra West was chased out of New Mexico by one gun wielding victim who knew the authorities were powerless to help him.

13. While denying that Devra West had assaulted Dr. Cole, 'liar for hire' Geoffrey Reynolds was busy writing emails to the service provider of John Watson's website desperately trying to force a copy of West's written admission that she had assaulted Dr. Cole MD off of the whistleblower's website. In a move worthy of the characters of the movie 'Dumb and Dumberer' Devra West has Geoffrey Reynolds CPA claim copyright of her written admission that she had assaulted Dr. Cole MD in a vain attempt to use the Millennium Copyright Act (MCA) to force [The Law of Severity on the Path to Purification](#) off his website.

14. West is found guilty of assaulting Dr. Cole MD. Here is a copy of the newspaper article published by the [Whitefish Pilot](#) on 24 April 2008 announcing her guilt. Here is a [scan of the court documents](#) and here is a [written response](#) by the editor of the newspaper after an attempt by the cult to bully the editor into withdrawing their article announcing West's guilt on the basis that West never admitted her guilt in court!

15. An arrest warrant was issued against Devra West for [Criminal Check Fraud](#).

16. Devra West became the subject of a [Sheriff's Sale](#) to force her to sell her assets to pay past victims of crime \$2,000,000 in court fines and interest.

17. Devra West was found guilty by a Montana court of defrauding John Watson. The [Ravalli Republic](#) news article announces her guilt. Here is a copy of the [court judgment](#) and here is a copy of [the award given by the court](#).

18. & 19. Devra West posts two statements on her website. The first asserting that that the court [threw out Cole's assertion that she had been assaulted](#) by her (not true). And the second asserting that West was not found guilty of defrauding John Watson [and that no business relationship ever existed](#) (not true).

20. & 21. Devra West gave a [statement under oath](#) to John Watson's lawyer, during which she lied from start to finish. However some interesting facts emerged from her statement that showed her to be a cunning criminal at the head of a multi-million dollar a year criminal racketeering gang, aided and abetted by Geoffrey Reynolds and others. One of those facts was that she lied about the whereabouts of several million dollars' worth of artwork and valuables that were owned by a Montana charity and largely paid for by public donation. She stated that these articles were lost and or stolen but ten years later (after the statute of limitations on theft had expired) in 2014 they showed up on her website as for sale and at auction in Cave Creek AZ. They can currently be viewed by going to the [art gallery tab](#) on her website. Long story short, she claimed to be penniless and in debt to the tune of \$2,000,000 but months later she turns up in Arizona living in a \$7,000 a month gated mansion.

22. Devra West becomes the subject of an arrest warrant for [Felony Theft](#).

23. Reynolds, a total stranger to John Watson in that their respective periods of 'employment' with Devra West are separated by 4 years, is persuaded (blackmailed about the \$300,000 he loaned her?) by Devra West to go in front of a Montana court and make [totally false pleadings](#) about being defamed by the whistleblower who he had never met!

24. Devra West, like most narcissists is a prolific liar, who living in a make believe delusional reality 'powered' by her ability to manipulate, intimidate and murder those who oppose her continues to award herself ever more ridiculous titles and accolades. From being the 'Menace of Montana' (see below) she recently appointed herself the titles of the 'Regent of the Masters' (effectively making her superior to Jesus) the ['Sage of Sedona'](#) and to show her delusions know no limits ['The Regent of the Spiritual Hierarchy of the Western Hemisphere.'](#) Being one step down from the almighty himself she professes to be able to deliver ['Divine Grace Healings'](#) and ['Dispensations of Karma'](#) to those who can afford to pay \$500,000 which is what she was charging in 2002 according to [two of her employees!](#)

25. Williams recently posted a hatchet propaganda piece on a website he bought and paid for himself, just for the purposes of trying to convince the public that West's lies are their truth. To be clear, what Williams wants the public to believe is that an American Judge mounted an independent investigation into the activities of a Canadian citizen (John Watson) living abroad in Canada. What Williams wants the public to believe is that this Judge, acting as an investigator, busts open a cyber-extortion scam mounted by Watson against con artist Devra Patton West or the Rishi as Williams calls her! In reality, using some of Williams \$2,000,000 to outspend John Watson in court (who had just won a fraud lawsuit against Devra West in 2008) West and her stooge Reynolds, were able to launch two more lawsuits against Watson who, living abroad, could not afford to travel to the USA and fight them. As a consequence, West and Reynolds were each awarded undefended default judgments in the amount of \$5,000,000 each and West got the injunction she asked for as part of her actions against John Watson – funded by Williams! [Follow this link](#) to our website to review a blow by blow analysis of Julio Williams' statement made on behalf of his cult / gang leader Devra Patton West. Remember, in March 2003, Devra West had said to John Watson, and I quote, ["If you sue me I'll get so down and f*cking dirty huge expenses coming out of your pocket and not mine \(because Williams would pay for her legal expenses\)."](#)

26. Watson wrote a couple of hundred emails, complaining about Devra West's occult attacks against him, to Devra West's lawyer James Bartlett between 2011 & 2015. After Bartlett blocked his emails, he started sending them to Julio Williams MD; the purpose of these emails was to lay down a 'paper trail' of these attacks to add to the statements made by other victims who were on the receiving end of similar attacks. [Rebecca West](#) and West's daughter-in-law [Jamie Haywood](#) being just two of many.

Above from left to right: Senior cult / gang member Julio Williams MD getting a blessing from his Satanist cover leader. Center the statement he posted on a 'paid for by him website' ([analysis here](#)) that seeks to morph his and West's conspiracy against Watson as an independent investigation by a judge into a cyber-extortion scam by a foreign national! Ass licker Williams on his knees at the feet of his Occult Master being thanked for his contribution.

CLEARLY THESE ARE NOT THE ACTIONS OF 'NORMAL' EMPLOYEES, COLLEAGUES OR FRIENDS BUT ARE THE ACTIONS OF MEMBERS OF A CULT / GANG CARRYING OUT THE INSTRUCTIONS OF THEIR LEADER WHO WE MAINTAIN IS A COLD BLOODED KILLER MASQUERADING AS A SPIRITUAL GURU!

The motive for Murder and the Criminal Conspiracy by West, Reynolds and Williams is clear. The success of Devra West's 'business' relies on the public swallowing the lies and propaganda about her being a 'divine being' and any negative publicity, however accurate, undermines that narrative and threatens the multi-million dollar a year criminal racketeering business model.

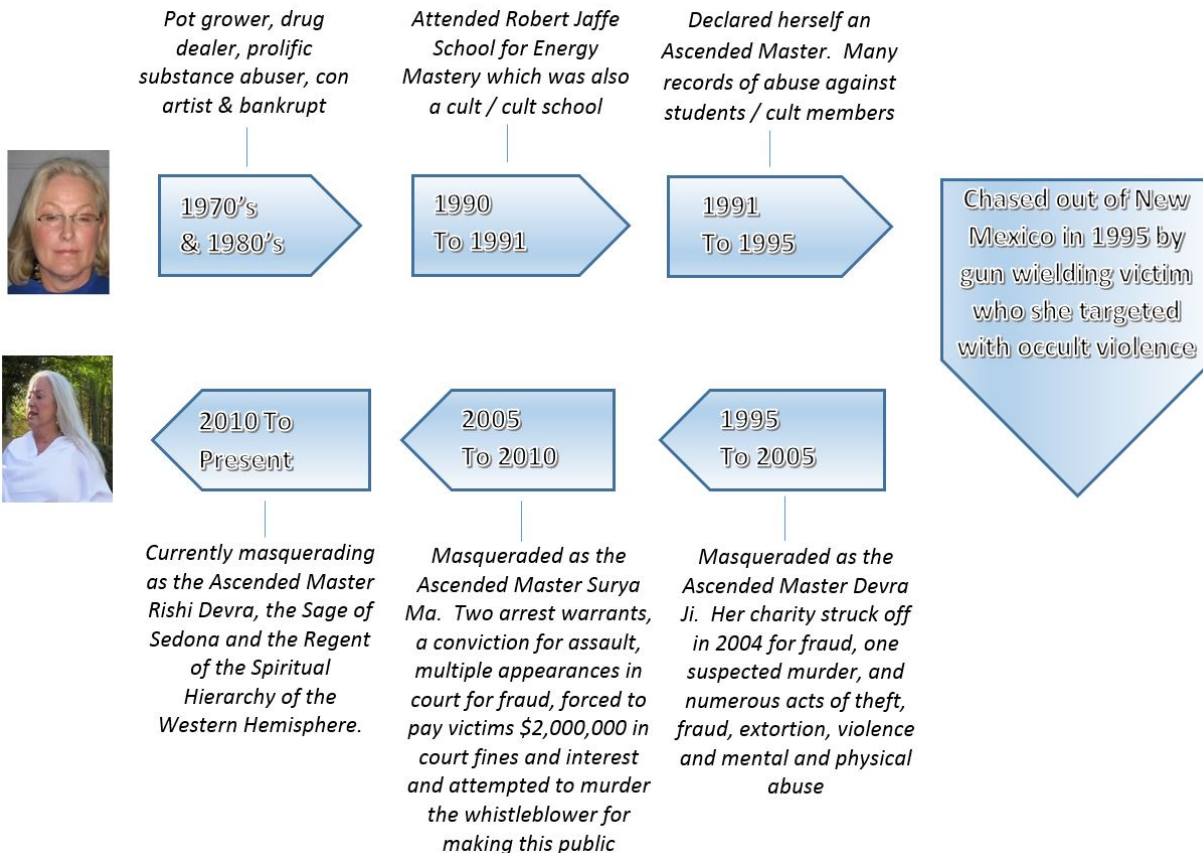

Above from left to right: The Ascended Masters Devra Ji (1995 to 2005), Surya Ma (2005 to 2010) and Rishi Devra 2010 to Present. Three iterations of Devra West's guru / cult / extortion scam that have operated in three western states (NM, MT & AZ). Organized crime on a massive scale but all protected by 'Religious Freedom Laws.'

Criminals have murdered for less. And since the 'weapon' Devra West uses to murder her victims with is not recognized as a weapon under legal statute, there is little risk to her; which is why Reynolds calmly announced the whistleblower's impending death to the [Bigfork Eagle](#) news reporter on August 9 2007. Clearly, Reynolds had been briefed by Devra West not just about Watson's impending murder, but that the other part of West's conspiracy was to goad the whistleblower into reacting to the attacks against himself and his family in such a way that it would land him in jail. Unfortunately for them, it did not work out that way, but clearly Reynolds knew the plan. How else could he blurt it out to the news reporter?

Above: Devra West's criminal racketeering business model relies on the public believing her lies and propaganda. Any mention of her criminal past or the truth about the scores of past victims of theft, fraud and extortion at her hands is met with a campaign of occult 'under the radar' violence and character assassination and intimidation.

Devra West's Pedigree. If we look at Devra West's pedigree we see that beneath the expensive illusion created by unlimited financial resources from 27 years of organized crime, we find a common thief / con artist who, after acquiring occult knowledge while attending [The Robert Jaffe School for Energy Mastery](#) between 1990 & 1991, was able to exponentially leverage her criminal tendencies. She could do this because she had acquired a weapon that allowed her to covertly intimidate and murder her victims with plausible deniability.

Below is an excerpt from a website entitled '[Cult Education Institute](#)'. By following the link, you can review statements given by those who escaped from that cult. Here is an excerpt from one ex-cult member who decided to leave [The Robert Jaffe School for Energy Mastery](#).

We were told that all sorts of things were "against God". Things like Reiki healing, which I had been involved in for some years. Over time I would learn that homosexuality and eastern religions were also "against God". By then, I had become quite disgusted with all that was being asked of me and I wrote an email to Dr. Jaffe announcing that I was leaving the path.

*Jaffe responded months later and **threatened that I could become sick and die from something like cancer for leaving.** That did not happen. Instead, I discovered some years later that Jaffe's own wife got ill with cancer and died from it.*

We know from witnesses that Devra West uses the threat of murder or murder, as a way of intimidating victims, witnesses and the members of her own cult into remaining silent about her criminal acts. Below are a selection of victim's experiences.

2005 – Threat of Murder. Student Marion Cantwell kidnapped, falsely imprisoned and beaten until she agreed to give up tens of thousands of dollars from the sale of her house to Devra West. Upon release, Marion was told she would be murdered if she went to the police.

2005 – Actual Murder. Student Lisa Swidler, a witness to Marion’s kidnap and the extortion of funds from her, also witnessed student Dave Kushner be defrauded out of \$30,000 by Devra West. Shortly after trying to leave the cult, Lisa died suddenly and mysteriously of internal bleeding, leaving behind two small children under the age of ten years.

2006 – Threat of Murder. Employee Carlida Finch was given the choice by Devra West of joining her cult and becoming a low-paid or no-paid slave or being fired. In Carlida’s complaint to the authorities she stated that she overheard Devra West planning the murder of Dr. Pat Cole MD. Cole was allowed to live after handing over \$1.3 million to Devra West.

2007 – Attempted Murder. Devra West attempted to murder the whistleblower John Watson in August 2007. Cult member Geoffrey Reynolds actually announced his impending murder to the Bigfork Eagle news reporter, Constance See, while he was being interviewed by her on August 9 2007.

DOES THIS SOUND FAMILIAR? IS IT JUST COINCIDENCE THAT HER MENTOR ROBERT JAFFE EMPLOYED THE SAME TACTICS AGAINST THOSE WHO CRITICIZED HIM OR WENT PUBLIC ABOUT HIS CULT?

Let’s go further afield to Brazil to look at the actions of another Occult Master and the sudden death of the ‘whistleblower’ who went public about his crimes.

Whistleblower who recently outed Oprah's Brazilian faith healer "John of God," for murdering teenage sex slaves and running a "baby farm" adoption operation, committed suicide over the weekend

- Sabrina Bittencourt died after accusing faith healer John of God of sex abuse
- She claimed he kept women captive and exported their children on black market
- The faith healer has been accused of abusing hundreds of women in Brazil

Supernatural' events terrify police while interrogating celebrity medium John of God over sexual abuse claims as computer 'takes on life of its own' and electrical appliances short circuit.

Both Devra West and John of God are Occult Masters and Narcissists.

Above: Rishi Devra on the left and John of God on the right. Both groups of 'happy clappy' sheeple blissfully unaware that both cult leaders are involved in murder, organized crime and racketeering.

In both cases the 'humanitarian' disguise hides a criminal racketeering business model that involves crimes like theft, fraud, extortion, violent assault and murder.

Above left: Occult Master 'John of God' using his knowledge to leverage himself as a sexual predator. A whistleblower who outed him ended up dead. Center: Both John of God and Devra Patton West use lies and propaganda to convince the public to trust them with 'healing and 'enlightenment.' Right: Devra Patton West a deeply disturbed psychopathic person personality uses her knowledge of the occult to line her financial nest at the expense of everyone she meets and is addicted to the worship of those she convinces are lesser beings.

In a recent bulletin, we compared the activities of Devra Patton West with those of John of God, who was recently arrested in Brazil. For a comparison of Devra West and John of God's use of their knowledge of the occult to leverage their criminality, please review the following previous bulletins.

The big question is, what makes individuals like Geoffrey Reynolds CPA and Julio Williams MD, the former being an accountant and the latter a physician, align themselves with someone who is clearly criminally insane? It is obvious that Reynolds was briefed on Watson's murder and the campaign of violence against his family, which is still continuing 13 years later.

Why, when the 2007 murder plot failed, did Reynolds agree three years later in 2010, to join West's conspiracy against Watson, a total stranger, by making totally false pleadings to a Montana court?

Why did Williams agree to defame Watson in 2005, threaten him in 2007 and agree to fund West's legal fees to the tune of \$2,000,000? Why did Williams recently agree to post a statement about West's injunction that he knows is totally false? How is it possible that psychopath's like Devra Patton West are able to manipulate people like Reynolds & Williams into placing themselves and their wealth in harm's way, to defend her against a total stranger who had a legitimate reason for suing Devra West for fraud?

The only plausible answer is that both Reynolds and Williams are willing accomplices in a cult / criminal gang run by occult thief / suspected serial killer, Devra Patton West, and that they are both comfortable and admire Devra West's ability to commit multiple murders with apparent impunity.

In case anyone reading this still believes that Devra West is a misunderstood guru, here are some other examples of her criminality 'World Service' in Montana between 1995 & 2005 when she operated out of Victor MT as the Ascended Master [Devra Ji](#).

Here is how the latest con works:-

Step 1. Those identified as wealthy targets are invited to attend a **'Private' Sessions** or a **'Private' Intensive'** as advertised on her website below.

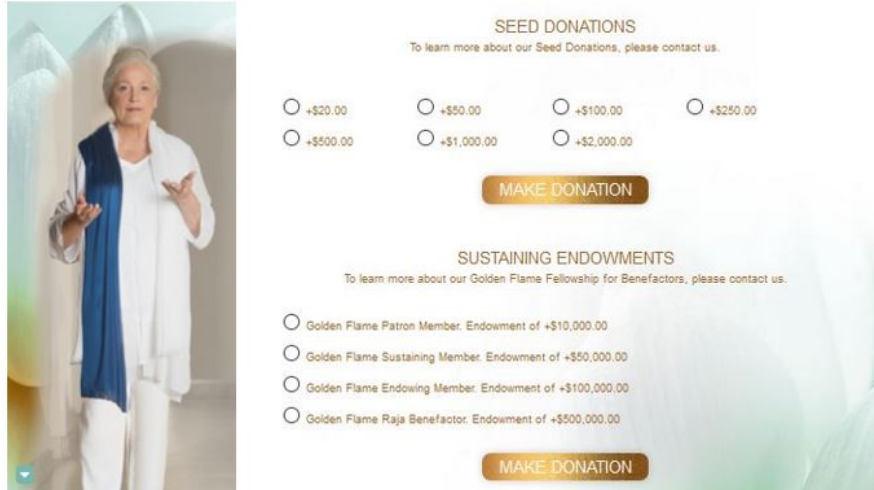

Step 2. Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for the nonexistent wrongs the target committed).

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam, she 'induces' the symptoms in those who do not believe or do not pay and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.'

Step 3. The victims go to the Sage of Sedona's ['Pay Portal'](#) which is set up to receive single donations of up to \$500,000 or more by pressing a single button or a combination of buttons. In this way the target receives an imaginary cure and in return [The Regent of the Spiritual Hierarchy of the Western Hemisphere](#) gets to empty the targets bank account into hers. Note her standing there with her hands out saying "give me, give me."

This has been going on for 27 years right under the noses of the FBI and the IRS. It is illegal for a lay person to assert that they are able to cure someone of a health condition. Apparently not so for Devra West! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and home of a multi-millionaire even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

CAN ANYONE GIVE ANY FACTUAL DOCUMENTARY EVIDENCE OF 'WORLD SERVICE' ON THE PART OF DEVRA PATTON WEST OVER THE PAST 27 YEARS?
