

Subject: Rishi Devra – Like James Bond, Devra Patton West has a ‘license’ to kill. Unlike with the fictional character of James Bond, the victims of Devra Patton West Murders are real.

Dear FBI, IRS and Sedona & Scottsdale police departments,

During the investigation of these matters, I suspect that the first order of business will be to establish where the truth lays. Does it lay with the scores of victims of theft, fraud, extortion and some of violent assault at the hands of Patton West? Or does the truth lay with Patton West, a self-appointed deity, and her disciples? Is it possible that so many victims, from different backgrounds, unknown to each other, and at different points in time, could all be delusional? Is it that Patton West is the common thread with each of these victims just a coincidence?

If the many, many victims of organized crime are deemed to be mistaken, delusional and hallucinating, then Patton West must be what she claims to be e.g. the [Spiritual Guardian of the Western Hemisphere](#), the [Sage of Sedona](#), a [Blessing to all Souls](#). And the [six figure sum](#) she is currently demanding for ‘[Divine Grace Healings](#)’ is probably given away to charity (details hidden). We must also take her word for it when she says she was given [two doctorates in person by the Christ](#). If this is so, then the many appearances in court in Montana as the defendant in fraud related lawsuits was just a misunderstanding. If this is so, the two arrest warrants and a conviction for assault in Montana were just a misunderstanding. The theft of several million dollars of property owned by a Montana charity and paid for by public donations was just a misunderstanding. Having put a \$1,250,000 property defrauded from that charity into a personal trust fund, only to have it ‘broken open’ by a judge in 2008, sold at a [Sheriff’s Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest, must have been a setback for her ‘World Service’ efforts.

And, when questioned in court about the whereabouts of \$4,000,000 worth of artwork and valuables ([as valued in 2002](#)) in 2009, she was probably confused. When she answered in her statement [here](#) and [here](#) (while being deposed) that they were lost or stolen but did not belong to her anyway, she probably forgot that it was she that had stolen them from the Montana charity and hid them in a lock up until after the statute of limitations on theft had passed. Some of these items were [auctioned in 2014](#) and the remainder have appeared at [sales events](#) and are shown on her [website](#). Being God’s messenger on earth, she does not see theft or embezzlement as a crime nor the need to pay the IRS tax on the sale of millions of dollars of assets gifted to the charity, stolen by her and then sold later after they ~~reappeared~~ were suddenly rediscovered. While giving the same statement in 2009, Patton West declared herself to be \$2,000,000 in debt, living in [a caravan](#) in ~~gang member~~ disciple Geoffrey Reynolds’ back garden with her financial needs also supplied by him as loans. A couple of weeks after giving this statement, Patton West was living in a \$7,000 a month [gated mansion](#) in Arizona. This is clear proof that miracles do occur.

When the whistleblower went public about Patton West’s ~~criminal racketeering business model~~ world service efforts and decided to sue her for fraud, she mobilized two of her ~~gang members~~ disciples Williams and Reynolds in a plot to intimidate Watson into dropping his lawsuit, then be complicit in a plot to murder Watson and, when that failed, acted on her instructions in conspiracy to bankrupt him via multiple frivolous lawsuits. When [Julio Williams funded](#) this action to the tune of \$2,000,000, and Geoffrey Reynolds made [pleadings to the Montana court](#) that were a total fiction, they probably thought they were doing God’s work. And speaking of God, when Patton West’s son Chris Haywood became estranged from his first two wives, both who had borne him infant daughters, Patton West’s campaign of intimidation designed to subvert both custody hearings in favor of her son (who had an [FBI record](#) for forgery, substance abuse and traffic violations) was probably just Patton West undermining the system to help her son. This is the son that allegedly defrauded an insurance company by making [false statements](#) to obtain a payout for a nonexistent injury. The fact that a neighbor of his [stated](#) that she saw him wake boarding up the lake while making that claim may have just been another miracle. Hell, if you are playing God, why not ‘fix’ the system to favor the outcome you want. It worked with one child but failed the second time.

The fact that Patton West's [life story / bio](#) on her current website is a total fiction and obviously part of a massive fraud, may just be confusion on her part. After all, according to a statement posted on her website in 2007, she is single handedly [holding open the gates of time](#).

Alternatively, the message that we have passed to you in 150 weekly emails over the past 3 years or so, which indicates that Patton West sits at the head of a multi-million dollar a year criminal racketeering gang, may in fact be true. Did we mention that Patton West's ex-husband talked about the sudden death of those who opposed his wife? Did we mention the sudden mysterious [death of a student](#) in 2005? Did we mention that disciple Reynolds announced Watson's impending death to the press days before Patton West attempted to murder him? Did we mention that Williams has received 400 plus emails over the past 3 to 4 years logging the ongoing attempts by Patton West to silence the whistleblower from sharing the details of past victims blessings that Patton West administered as part of her world service efforts in Montana? When theft, fraud, extortion (running into tens of millions of dollars) and suspected multiple murders push this matter up the list of priorities, I think you'll quickly decide for yourselves where the truth lies. Just follow the evidence – there is plenty of it.

Richard S

Rishi Devra – Like James Bond, Devra Patton West has a 'license' to kill. Unlike with the fictional character of James Bond, the victims of Devra Patton West's Murders are real people who had lives and families.

Above left: Fictional character of James Bond who has a license to kill. Above right: Patton West in possession of occult (hidden) knowledge that allows her to make ill, injure and murder victims remotely thus giving her a 'license' to kill which she uses regularly. The authorities, oblivious of what is happening, rule that the victims died of natural causes.

Patton West's accomplices in racketeering and murder know what she is doing, as do some of her victims who live to talk about their experiences. Let us review the evidence.

ACCOMPLICES – Ex-husband Jack West, Dr. Julio Williams MD and Geoffrey Reynolds CPA all Willing Members of Patton West's Satanist Death Cult. Each fully aware, and complicit, in at least one murder and perhaps many.

Above from left to right: Ex-husband Jack West, Dr. Julio Williams MD, a 20 year member of her Satanist cult. Geoffrey Reynolds CPA duped into loaning West \$300,000 and, to get his money back, agreed to money launder the proceeds of crime through her business, be complicit in the murder of the whistleblower John Watson and when that failed, joined in a criminal conspiracy.

Ex-husband Jack West. Shortly after the whistleblower John Watson was hired as a business consultant by Patton West in 2002, her then husband Jack West told John Watson that those who opposed his wife Patton West had a habit of dying suddenly. In 2005, this turned out to be true when one student, Lisa Swidler, witnessed Patton West committing two serious crimes against two other students. Shortly after Lisa Swidler escaped from the cult, she died suddenly and mysteriously, leaving two small children behind without a mother. According to an old friend, [Jeremy Samuelson](#) who knew him in the late 80's Jack West was a weak minded man with little experience of women and was soon being run by Patton West. Evidence of this comes in the form of repeated attempts by Jack West to lie about or attempt to cover up crimes committed by his wife. Examples of this are evidenced by the statement given by [AJ White](#) after Patton West's partial scalping of an employee, after that employee Susannah Felder discovered that Patton West had stolen \$80,000 from her own charity to pay for her son's legal fees. Another example comes in the form of [Jack West's](#) statement published on his wife's website in July of 2007, shortly after the [Whitefish Pilot](#) newspaper published a story about Patton West's vicious assault upon her business partner Dr. Pat Cole MD. In his statement, Jack West denies that his wife had assaulted Dr. Pat Cole MD even though Patton West herself admitted as much in a [letter she sent](#) to her students, days after the assault. Patton West was convicted of the assault in April 2008.

"She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be."

Ex-husband and senior cult member Jack West. 2007

Jack West also defamed John Watson who was suing Patton West for fraud. Jack West denied his wife had defrauded Watson, however, Patton West was convicted of that too in 2008. In his statement, and in spite of the mountain of evidence against his wife, Jack West described her as being, and I quote, "as utterly free from wrongdoing and as ethically virtuous as any human being can be." Shortly after making these statements in addition to the two convictions above, Patton West was the subject of two arrest warrants (one for [criminal check fraud](#) and one for [felony theft](#)) and the subject of a [Sheriff's Sale](#) to force her to pay past victims of crime \$2,000,000 in court fines and interest! Do you think this person is a pathological liar like his wife or what?

Clearly, Jack West is aware of and an accomplice to multiple murders.

Dr. Julio Williams MD. Julio Williams MD is the second longest serving member of Patton West's death cult / criminal racketeering gang, joining as a student of her unaccredited occult school in the year 2000. Given that Williams grew up in the Dominican Republic where Voodoo is one of the recognized religions, being apprenticed to a fair haired witch must have been a dream come true. To test loyalty to her, the cult and Satanism, Patton West tests new recruits by asking them to carry out some small scale act that is immoral.

Williams was no exception, so when Watson announced that he was going to sue Patton West for fraud, Williams was more than willing to take up arms on her behalf against Watson even though Williams had never met Watson nor had any personal incentive to become involved. Accordingly, and at Patton West's request, Julio Williams signed his name to a [statement](#) that defamed Watson which was published on Patton West's website. The statement was mainly aimed at the brainwashed and conditioned rank and file members of the cult, giving them an explanation (though totally false) as to why Patton West was in trouble again. In 2007, Williams stepped up to the plate again, only this time, his actions were not only immoral but also illegal.

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber. She is a virtual wellspring of living divinity."

Julio Williams MD 2017.

Again, obviously on Patton West's instructions, Williams wrote a [threatening email](#) to Watson in an attempt to get him to drop his lawsuit against West, a lawsuit Watson won a year later. In the email, Williams told Watson not to f*ck with him and that he was allocating \$2,000,000 to Patton West's legal / defense fund. Dr. Julio Williams MD being a long term student of Patton West's, a paid up Satanist and a senior member of her cult, would have known about the 2005 murder of student [Lisa Swidler](#). Williams would also have known about Patton West's 2007 plot to murder whistleblower John Watson. He would also have known about the campaign of occult 'under the radar' violent assaults aimed at Watson and his family, a campaign designed to have Watson react in a way that would send him to jail. This was the campaign orchestrated by Patton West that senior cult member Geoffrey Reynolds CPA, announced to the press in August 2007, in what he thought was an 'off the record' discussion with the reporter (see below). In late 2015, John Watson, still the victim of these attacks at the hands of Patton West, started sending two or three emails a week to Dr. Julio Williams, logging the frequency and nature of these attacks against himself and his wife and children. To date, Dr. Julio Williams MD has received some 400 plus emails over the past three or four years and yet, has failed to pass a single email on to the police or FBI. For more on Dr. Julio Williams' criminality, orchestrated by Satanist cult leader Patton West, go to the bulletins entitled ['Gang Members'](#) and ['Witch Doctor'](#) and ['Clowning Around'](#) and [Two Black Magicians Masquerading as Gurus](#) and [The Truth About Patton West's Injunction](#).

Clearly, Dr. Julio Williams MD is an accomplice to multiple murders.

Geoffrey Reynolds CPA. Reynolds, like many others including the whistleblower John Watson, was recruited as a consultant or employee believing that the position he was taking up was as advertised, and not a criminal organization. Only after being duped into loaning \$300,000, did Reynolds come to realize that Patton West's place of employment was in fact, cult central and a front for a criminal racketeering gang. It is clear from two emails ([1](#)) & ([2](#)) sent to the whistleblower by Patton West's then office manager, Rebecca West (no relation to Patton West) that Reynolds had gotten himself into a very bad place and had no choice but to do Patton West's bidding if he ever wanted to see his \$300,000 again. In that regard, Patton West blackmailed / manipulated Reynolds into money laundering several hundred thousand dollars extorted from Dr. Pat Cole through Patton West's business as 'normal' business receipts. He did this knowing that the [bookkeeper resigned](#) rather than be forced to 'manufacture' false invoices.

"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."

Geoffrey Reynolds CPA 2014

In the Spring of 2007, realizing that Watson was not going to drop his fraud lawsuit against her Patton West, decided to murder John Watson. In July and August of 2007, two articles were published in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers respectively, while Patton West's assault on Dr. Pat Cole was featured large within the article the paper also went into detail about several of the other crimes being committed against Patton West. While being interviewed by the Bigfork Eagle reporter on August 9 2007, Reynolds, in what he thought was an 'off the record' conversation, let it be known that Patton West was going to murder Watson. What Reynolds said was that, and I quote, "Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him and his family."

It is clear from his remarks that Reynolds both knew about the plot to murder Watson, and that Patton West was going to target Watson, his wife and children in an attempt to provoke Watson into reacting in a way that would result in Watson being sent to jail. It is worth noting that in 2002 Jack West, while in 2002 explaining that those who opposed his wife died suddenly, also let it be known that they, Patton West, he and his young daughter Anna, had to flee New Mexico in the night after being pursued by one gun wielding victim who realized that the police were not going to help him with Patton West's occult violence.

Long story short, Reynolds knew of the plot to murder Watson (perhaps Patton West had shared details of some of her earlier victims) and knew of the campaign of occult 'under the radar' violent assaults that continue to this day, some 12 to 13 years after Reynolds made his comments to the [Bigfork Eagle](#) reporter. The idea that Reynolds could announce both the murder plot and the campaign of violence without being informed about them by Patton West ahead of time, is not possible. For more on Geoffrey Reynolds' involvement in murder and racketeering follow these links to bulletins entitled '[Gang Members](#)' and [The truth About Patton West's Injunction](#) and [Geoffrey Reynolds Criminal Past](#) and [Meet fake Guru](#) and [Two Black Magicians Masquerading as Gurus](#) and

Clearly, Geoffrey Reynolds CPA is a willing accomplice to multiple murders.

Evidence that Patton West could be one of America's most prolific serial killers.

Above: Unlike James Bond who uses a gun or a conventional weapon, Patton West uses occult knowledge she obtained between 1990 & 1991. She knows that because legal statute does not regard the occult as a weapon, she can murder at will with little to zero chance of her being implicated in the murder. Jack West, Julio Williams & Geoffrey Reynolds also know that.

How many murder has Patton West committed? Five, ten, twenty or more? Only Patton West knows the answer to that question. However, the sudden death of Lisa Swidler in 2005, Jack West's comments about "those who oppose my wife have a habit of dying suddenly" and evidence from Patton West's victims who have survived gives us clues that it may be a score or more.

Lisa Swidler – Murdered by Patton West in 2005. Lisa Swidler was a senior student at Patton West's unaccredited school for occult studies, who was a witness to two serious crimes that Patton West committed against two of her students (cult members). Lisa acted as a go-between in arranging a two week bridging loan of \$30,000 from [Dave Kushner](#), another of Patton West's students (cult members). Once Patton West received the funds, she refused to pay the money back. Dave Kushner decided to walk away rather than become the victim of occult attacks or murder. The second victim was another of Patton West's students (cult members) [Marion Cantwell](#). Shortly after selling her home, Marion was kidnapped, falsely imprisoned and beaten until she agreed to make a large donation out of the proceeds of the sale of her home. When released she was told that if she went to the police she would be murdered. Marion too, decided to walk away rather than become the victim of occult attacks and or murder. After witnessing these two crimes, Lisa decided to leave the cult, but shortly after doing so this young mother of two small children died suddenly and mysteriously. The coroner pronounced the death as the result of internal bleeding and therefore 'death by natural causes.'

Above far left: photo from one of two arrest warrants issued against Devra Patton West in Montana. Second left: In 2005 she was masquerading as the Ascended Master 'Devra Ji.' Third left: student and cult member Lisa Swidler. Far right: Lisa Swidler dies shortly after trying to escape Devra Patton West's cult. The chances of her death being the result of natural causes are nil.

Because there was no bullet wound, knife wound or blunt force trauma, the only assumption that the coroner could make is that the death was by natural causes. Many members inside the cult assumed that Lisa had been murdered to keep her quiet just as Marion Cantwell was threatened with murder if she went to the police.

Dr. Pat Cole MD threatened with Murder and given a reprieve after 'paying' \$1.3 million. Cole was a student and 'business partner' to Patton West, though as Patton West made clear to John Watson in March of 2003, Patton West does not have partners of any kind. In order to be allowed to accompany Patton West to Shamballa (a move from Victor MT to Flathead MT after Patton West's charity was struck off for fraud in January 2004) Cole had to [commit 66% of her net worth](#) to Patton West's good causes (herself). After arriving in Flathead MT, Patton West got impatient to get her hands on Cole's net worth estimated at \$1.3 million and so hatched a plan to extort the money from her. The strategy used was that Patton West, working with other members of the cult, would target Cole for physical and mental abuse in an attempt to break Cole's will, so that she would hand over her fortune to Patton West. The campaign of abuse and violence was later described by student [Debra Coffey](#) who took part in similar 'sessions' which were sold to the cult by Patton West as 'therapy' designed to help the victim achieve enlightenment.

Above: Motive for murder. Millions of dollars a year from organized crime. From victims like Cole and many others. Watson's website was undermining Patton West's business model so he had to be silenced either by murder or bankrupting him via endless lawsuits. Williams gave Patton West \$2,000,000 for her lawsuits and Reynolds was complicit in the murder plot.

In reality, the objective of the strategy was designed to get Patton West access to Cole's bank account. For a while, Cole resisted the violence and abuse which only made psychopath Patton West get more angry and aggressive. During this time one of the employees, Carlida Finch, overheard Patton West discussing the murder of Dr. Pat Cole with another employee. Patton West said that she did not mind murdering Cole because as an enlightened being she, Patton West, could as easily live in a 6' X 6' prison cell as in a \$6,000,000 mansion. What escapes the mind of a psychopath like Patton West is that enlightened beings do not kill. Carlida Finch was later forced to make a statement to the authorities about these matters as Patton West had told all employees they must join her cult or be fired. Carlida's [Statement of Fact](#) details the threat by West to murder Cole.

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement.

"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself."

Above: Dr. Pat Cole MD the subject of a conspiracy by Patton West to extort \$1.3 million from her which she succeeded in doing at a cost of a \$500 fine and a six month suspended jail sentence. Patton West treats the police and the courts with contempt believing, with the help of 'liars for hire' like Williams, Reynolds and her ex-husband, that she can outwit them all.

Early in April 2006, Patton West's patience ran out and she viciously assaulted Dr. Pat Cole by repeatedly hitting Cole on the head with the heel of her shoe until blood ran down the victim's blouse. The police were called, Patton West was charged with assault and convicted in April 2008. In the intervening two years, Patton West denied the assault and when convicted she issued a statement on her website saying the 'bogus assault' charges had been dismissed by the courts. When the first newspaper article about the assault was published by the [Whitefish Pilot](#), Patton West and the senior cult members Jack West, Julio Williams and Geoffrey Reynolds all issued statements of denial. Below are links to those denials.

Geoffrey Reynolds CPA [Statement 1](#) [Statement 2](#) [Statement 3](#) [Statement 4](#)

Julio Williams MD [Statement 1](#) [Statement 2](#)

Ex-husband Jack West [Statement 1.](#)

All three senior members of the cult made their statements of denial knowing 100% that Patton West had assaulted Dr. Pat Cole MD. They knew it because on April 17 2006, days after the assault, Patton West had written to her entire mailing list (including Jack West, Julio Williams and Geoffrey Reynolds) in an attempt to justify the assault. The missive entitled, '[The Law of Severity on the Path to Purification](#)' contained the admission that Patton West had assaulted Cole, that the assault was severe but was administered with grace and sought to justify the assault by asserting that the victim Cole was a Nazi in the WWII death camps in another lifetime! You cannot make this stuff up. We know that Reynolds knew Patton West had assaulted Cole, because apart from being in receipt of a copy of the above missive, Reynolds was desperately trying to get a copy of that missive removed from the whistleblower's website. Follow [this link](#) to read a copy of the email Reynolds sent to the service provider of John Watson's website claiming copyright on behalf of Patton West's written admission that she had assaulted Dr. Pat Cole MD while Patton West, Reynolds, Williams and her ex-husband were busily denying it in public!

John Watson (whistleblower). After Patton West defrauded him in 2002 she attempted to murder him in 2007 after which she conspired to bankrupt him in 2010. After John Watson was defrauded by Patton West in 2002, he waited until early 2003 before deciding whether to go to law. After announcing his intention to sue Patton West for fraud in March 2003, she demanded a private meeting with him at which she tried to bully and emotionally blackmail Watson into not suing her for fraud. One need look no further for the truth about Patton West's true character than to listen to what she is saying in her own voice. Fearing some kind of stunt from Patton West, John Watson decided to record the meeting using a hidden digital tape recorder. Below are some excerpts from the 45 minute meeting. You can listen to the entire meeting by going [here](#).

In point (2.) above, Patton West admits defrauding Watson but says she does not see herself writing out a cheque for she owes him. Above) which includes the following:-

1. *Forces her employees and students (cult members) to write totally false but damning statements about Watson that Patton West intended to use in court against him. One student later [retracted her false statement](#) in a letter to Watson's lawyer.*
2. *Gets Dr. Julio Williams MD to [defame](#) Watson from her website in 2005. This turns out to be a gift as Williams stakes his honor and credibility on Patton West's personal integrity.*

Follow this link to read a more comprehensive list of crimes against spiritual seekers that she suckered into joining her cult in Montana, then robbed them, defrauded money from them, extorted money from them or mentally and physically abused them.

[Devra Patton West and accomplices are estimated to have extorted \\$30 to \\$50 million from scores of victims in NM, MT & currently AZ with their 'divine being' scam.](#)

After being forced out of Montana in 2010 (just as she had been forced out of New Mexico in 1995) Patton West wanted to reincarnate in Arizona as the Ascended Master 'Rishi Devra.' However, before doing that she needed to silence the whistleblower John Watson and bring down his websites otherwise no one would believe the bullshit and lies on her website depicting her as a 'divine being.'

Above from left to right: Whistleblower John Watson went public after being defrauded and discovered scores of other victims. A photo from one of Patton West's two arrest warrants issued in Montana. The definition of a narcissist. Patton West a criminally insane suspected serial killer masquerading as a guru. A pathological liar who uses occult knowledge to subdue her victims and keep them from going public. Using millions of dollars acquired from organized crime over the past 27 years Patton West has created a totally false on-line persona with one objective. To lure wealthy spiritual seekers into the 'kill zone.'

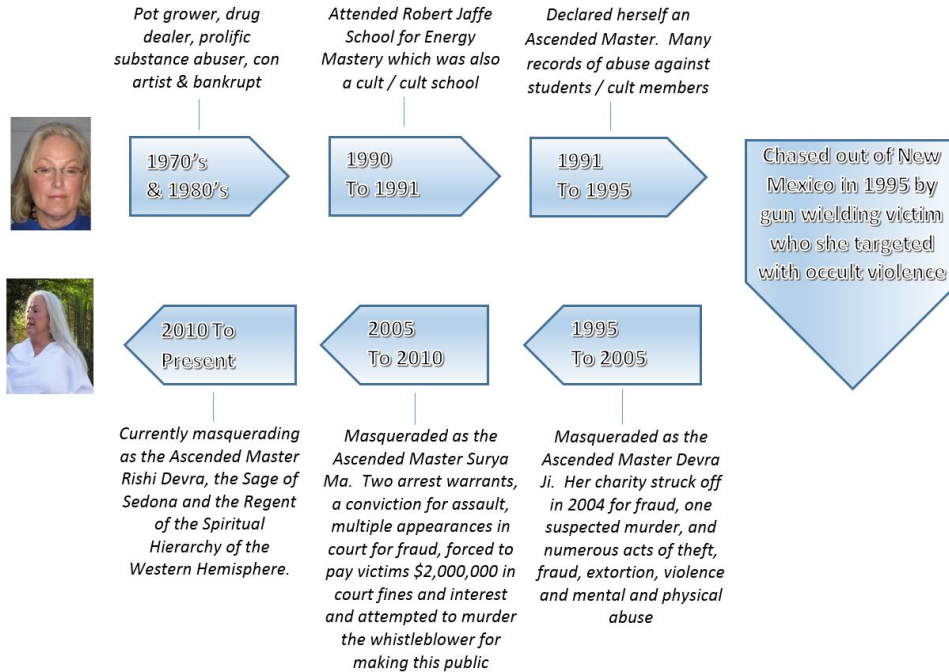

To read about Patton West's failed attempt to murder Watson in 2007 go [here](#). To read about Patton West & Reynolds attempt to bankrupt him in 2010 via a criminal conspiracy to extort \$10,000,000 from him go [here](#). To read about how Patton West uses cult gang members Williams and Reynolds to target Watson and others go [here](#). To read about how Patton West out spent Watson in court and effectively 'bought' an injunction to stop Watson broadcasting details of her criminal past go [here](#) and [here](#). After acquiring her injunction, Patton West launched herself in Arizona which is where she is now operating as the Ascended Master Rishi Devra.

Lies and propaganda to Trap Wealthy Spiritual Seekers. As we have explained in previous bulletins, Patton West's life story is a total fiction perpetrated by a pathological liar whose lies and propaganda are 'protected' under religious freedom laws. Patton West told the whistleblower in March 2003 that [the truth does not matter](#). The truth does not matter because she has the financial resources from 27 years of organized crime to launch a well-crafted campaign of lies and propaganda that she believes will be swallowed by the public as truth.

The Occult as a Weapon to Silence those who Challenge Her. She also knows that if anyone challenges her version of reality she can quickly neutralize them either by a campaign of occult 'under the radar' violent assaults or by murdering them. The current bio / [Rishi's History](#) as shown on her website is a total pack of lies but Patton West does not care because who is going to challenge her? As her ex-husband Jack West told the whistleblower those who have a habit of challenging Patton West have a habit of dying suddenly. Lisa Swidler is evidence that is true. Patton West sharing her plans to murder Dr. Pat Cole MD is evidence of that. The attempt to murder John Watson and the subsequent [campaign \(ongoing\) of violence](#) directed at him, his wife and children is evidence of that. The fact that Patton West was chased out of New Mexico in the middle of the night by one victim in 1995, is evidence of that.

Clear Evidence of Criminal Insanity. For clear evidence of criminal insanity on the part of Patton West (whose family has a history of mental illness) go [here](#) and [here](#). Also read this statement given by her ex-house keeper [Tanya Hurley](#). Her insistence on enforcing a 'Protocol' of behavior on people who interact with her and her assertion that she is the '[Sage of Sedona](#),' the '[Planetary Regent](#),' that she is '[Single Handedly Holding Open the Gates of Time](#)' and that the [Christ gave her Two Doctorates in Person](#) all point to severe psychosis probably due to the excessive use of banned drugs.

**Are Patton West's actions that of a guru or the leader of a cult / criminal racketeering gang?
Or the actions of someone criminally insane?**

Above: An illustration of how Patton West decided to leverage her criminal tendencies by becoming an Ascended Master. In this way the prey animals came to her rather than her needing to seek them out at a time.

Are Patton West's actions that of a guru or the leader of a cult / criminal racketeering gang? Or the actions of someone criminally insane?

Below is an analysis of Patton West's latest totally fake bio / life story as found on her current website. The third such fake identity since 1995. All apparently allowed under religious freedom laws even when it is blatantly obvious that fraud and organized crime are the objective!

THE RISHI OF THE NEW POTENTIAL

The Sedona and Scottsdale Sanctuaries

The Sedona and Scottsdale Abodes... As a spiritual guardian of the western region of the United States, her presence in both Sedona and Scottsdale is a blessing for all souls and especially for those who seek spiritual enrichment and the ultimate awakening of enlightenment. Her path of awakening has moved from an enriched epic of life experience that has encircled the globe. Embraced and recognized by spiritual heads and enlightened masters of multiple traditions, she is regarded as a 'Lotus Born Soul' by pundits and yogic masters.

Western Luminary, Sage of Ancient Wisdom, Embodiment of Feminine Mastery... She is embraced as the Rishi Elder and Sage of Sedona and the Illuminary and Oracle of Black Mountain, an area left to be sacred by our Native Americans, which is located in the desert highlands, north of

Above: The above is all entirely fake. Created by the mind of psychopath / narcissist who believes that her lies will not be challenged by the authorities because they are protected by religious freedom laws.

And this from the [same webpage](#). The [] brackets are mine.

The near epic range of her global experiences, from her dedication to planetary prosperity [1], to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas is indeed groundbreaking. As a tireless servant of humanity [2], her largess of global awareness is nothing less than remarkable and her life story [3] even more so. Yet, what is inspiring for many seekers, is that Rishi Devra's homage to the divine has always been balanced by the joys and rigors of raising children and grandchildren, which she heartfully continues today as a spiritually awakened household [4].

With her illumination in full radiance, Devra continued to exemplify a 'feet on the ground' approach, expanding her focus for global awareness to a wide range of scientific and technological fields, as well as global financial systems, planetary sustainability and all aspects of human values. Organizing and attending conferences for world peace and humanitarian governance [5] increased her involvement with international leadership groups, humanitarian projects in regions of conflict, environmental initiatives and international think-tanks [6] which enabled her to gain a wide range of insight on the glaring urgency of contemporary global issues. She founded the Peace Promise Initiative in early 2000, a humanitarian endeavor that sponsored expos and seminars for world peace in the Middle East [7]. Her time spent in regions of conflict enabled her to have a visceral appreciation of the human devastation that came with the ravages of war and famine [8], and its inevitable impact on the entirety of the planetary system, all the while continually immersing ever deeper in the Divine [9]. As the founder of our institute for meditative life mastery, her hands on life approach enables her to be especially sensitive to modern life in its full context of demands, at the same time that she brings a profound eloquence to all that she does [10]. She is as practical in her pragmatic logic, as she is sublime in her divine grace.

Many books could easily be filled to the brim with the range and complexity of her global experiences [11], from her educational work on world peace and prosperity, to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas. Yet, in the midst of a virtual plethora of worldly experience [12], the example of her endeared grandmother was a constant, as Devra's steady homage to the divine, has always been balanced by the rigors of raising children and grandchildren that continues today. As a tireless servant of humanity [13] whose coherence of authenticity [14] is ever-present, her largess of planetary awareness is nothing less than remarkable and her life story even more so. She has engaged many enlightened endeavors over the years [15] and currently is devoted to serving as a bridge for bringing the beauty of eastern sacred art [16] and antiquities to the west, as a reminder of the ancient traditions that bring devotion and meditation into creating the enduring timelessness of sacred art.

EVERYTHING written above is a total pack of lies and has ZERO foundation in truth, as you will see from Devra Patton West's REAL biography.

**Are Patton West's actions that of a guru or the leader of a cult / criminal racketeering gang?
Or the actions of someone criminally insane?**

As a down payment on the truth, we'll briefly respond to the numbered points raised in her FAKE biography above.

[1] & [2]. There is zero evidence that Patton West has any interest anyone's prosperity but her own. She is also tireless servant of her own self-interests at the expense of everyone she comes into contact with.

[3]. Her life story is remarkable in that it is totally fake and created from the imagination of a psychopathic / narcissist who believes that she can intimidate and if necessary murder those who challenge her version of reality.

[4]. Spiritually-awakened household is a massive joke. Follow [this link](#) to evidence given in court by Patton West's daughter in law Jamie Haywood explaining how Patton West got into a fight with her porn loving wife beating son whose face she licked from top to bottom when he forced her up against a wall by her throat. Read the daughter in law's [entire testimony](#) to see how sordid Patton West's home life really is.

[5], [6] & [7]. Apart from an old circa 2001 photograph of West gate crashing a peace protest in Israel (where she has offshore bank accounts) for a photo opportunity there is zero evidence that Patton West attends leadership groups, humanitarian groups in regions of conflicts let alone international think tanks. The whistleblower John Watson set up the Peace Promise Initiative in 2002; that non-profit did not exist in the year 2000. A review of the [last page of the Bylaws](#) clearly show them being signed and dated [May 03 2002] the Bylaws also show the Secretary of States for Montana's date stamp showing May 15 2002. Note Devra Patton West's signature at the top and the whistleblower John Watson's underneath hers. Like all the other initiatives and businesses containers Patton West gets involved with they quickly become a total financial disaster as she drains them of all finances to fund her lavish lifestyle. The newspaper article published by the [Bigfork Eagle](#) newspaper in August 2007 shows two of her 'businesses never being registered, two of them being involuntarily dissolved and one involuntarily revoked.

[8]. The only regions of conflict that Patton West has spent any time in, is her home and business environment. The second part of the [custody hearing transcript](#) held on July 12 2007 makes it clear that Patton West's home life is a war zone. And her work life is no better. Here are three statements from ex-employees; the first her ex-office manager Rebecca west (no relation) her email is entitled '[Help Me.](#)' The second is from ex-employee Carlida Finch who overheard Patton West planning to murder Dr. Pat Cole MD if Cole did not hand over \$1.3 million to her. Carlida's [Statement of Fact](#) was part of a submission to the authorities about her unsafe working environment. Finally, there is a statement that Dr. Pat Cole gave the [Whitefish Pilot](#) newspaper in July 2007. Cole stated that Patton West repeatedly beat her over the head with the heel of her shoe until blood ran down her blouse. Then there is Patton West's attack on her student Beatrice McGuire that left the victim needing plastic surgery, which West paid for. Then there is the vicious attack on employee Susannah Felder that left Felder partially scalped. Yes, Patton West knows a lot about 'regions of conflict.'

[9]. If you believe Patton West's lies, she was immersing herself ever deeper in the divine while, robbing, defrauding, extorting, and beating both employees and students to her unaccredited school for occult studies. While immersing herself in the divine, she picked up an arrest warrant for [criminal check fraud](#) in 2008, was forced to sell all her assets (those not hidden) at a [Sheriff's Sale](#) to make her pay past victims of crime \$2,000,000 in court fines and interest. Also in 2002 the whistleblower John Watson was awarded [judgment](#) against Patton West and [awarded](#) \$776,000 after being defrauded by her in 2002. In 2009 she was the recipient of an arrest warrant for [Felony Theft](#). She was the defendant in several fraud related lawsuits in Montana during this time (see below for details) and all this while immersing herself in the divine!

[10]. The reader can get a sample of that profound eloquence and divine grace by listening to just three excerpts of a 45 minute conversation that Patton West had with the whistleblower in March 2003, after he announced he was going to sue her for defrauding him a lawsuit he won in 2008. **WARNING** - eloquent and divinely graceful self-appointed deity dropping the F bomb more than once. Example 1 ([I feel f*cked up the arse](#)). Example 2 ([You are f*cking over a spiritual teacher for Christ sake](#)).

Example 3 ([I'll go so f*cking down and dirty](#)) if Watson sues her for fraud after she admits in the same conversation that she did defraud him but does not see herself writing out a check for the money she owes him!

[11]. Many books could be filled about her criminal racketeering business model that has operated so far in three western states. States that either do not understand white collar crime or do not have the resources to prosecute it successfully. Patton West would not get away with her crimes in the eastern states; Martha Stewart went to jail for far less.

[12]. Patton West is a dangerous psychopath and suspected serial killer. Point [4] above speaks to the sordid home life; the fact that her son has an [FBI record](#) for forgery, dangerous drugs and motor vehicle offenses is a testimony to West's mothering skills. The apple does not fall far from the tree! As far as grandchildren are concerned there is evidence that Patton West has targeted both of her son's ex-wives in an attempt to intimidate them into giving up their female infant children to West's son Chris Haywood. Her campaign of occult 'under the radar' violence succeeded in subverting the custody case involving Haywood's first wife Kendal (she lost her daughter to West's son) but did not succeed a second time against Chris Haywood's second wife Jamie who [wrote an email](#) about it to the whistleblower. She also mentioned the occult attacks in [her testimony](#) at the custody hearing. Read [this bulletin](#) to see how Patton West uses occult knowledge to intimidate witnesses to court cases, subvert court cases and even manipulate judges to get the outcome she wants.

[13]. As you can see from the above, Patton West is a tireless servant to lining her own financial nest at the expense of everyone she meets and why not the weapon she uses to subdue and silence (intimidate and murder) victims and witnesses is not recognized as a weapon under legal statute so she has been on a criminal rampage for 27 years with no sign of stopping.

[14]. Coherence of authenticity? What a friggin joke. The woman is a pathological liar as the above shows but here are four more well documented examples that show that Patton West is a pathological liar. Example 1. On April 17 2006, just days after Patton West had assaulted Dr. Pat Cole MD and days after the police carried out their investigation, Patton West writes to her entire mailing list sending a missive entitled '[The Law of Severity on the Path to Purification.](#)' In this missive, that Patton West wants us to believe she channeled from the long dead Ascended Master El Morya, she admitted beating Dr. Cole, she admitted that the assault meted was severe but administered with grace. She went on to assert that as the victim was a Nazi in the WWII death camps (in another lifetime) that the assault was long overdue. Did I say that Patton West is criminally insane? No mention of the \$1.3 million she extorted from Dr. Pat Cole. Example 2. When appearing in court as a witness for her son on July 12 2007, West was asked by counsel if she had assaulted Dr. Cole. [Patton West replies](#) No way no how No! Example 3. While in court she was asked by her lawyer if her business was a multi-billion dollar enterprise. West replied yes. Three weeks later on August 9 2007, a newspaper article was published by the [Bigfork Eagle](#) newspaper which showed that Patton West had just been evicted from two rental properties in quick succession and had a lien for unpaid employment insurance against her in the amount of \$2,287 and had just bounced a check for deposit on the purchase of a property. Example 3. The [Whitefish Pilot](#) published a news article on July 12 2007, the very same day that Patton West was telling lies at the custody hearing for her son Chris Haywood. The article reveals that Patton West was fraudulently using images of a multimillion dollar lakeside property owned by Robert & Tabby Ivy in both her brochures and on her website. She was doing this in spite of the fact that the real owners had for 2 years being asking her not to do so. Clearly this is all part of a massive fraud to present herself to the public as something she is not. Example 4. What follows are three excerpts from a conversation the whistleblower John Watson had with Patton West in March 2003. She did not realize he was recording the conversation. 1. [The truth does not matter](#) (if I can convince the public that my lies are their truth). 2. [My agreements are worthless.](#) 3. [I dispose of people like Kleenex.](#) This is about as authentic as it gets where Patton West is concerned!

[15] & [16]. Patton West's criminal business model works on many levels when operating as Devra Ji in Victor MT, she had the cult constantly fund raising for donations to fund her latest greatest save the planet scheme, when in reality, the money went straight in her pocket. The whistleblower knew this and when he tried to fix the problem, she constructively dismissed him which led to his lawsuit. About a year earlier, employee [Susannah Felder](#) caught Patton West stealing \$80,000 from her charity and when she challenged Patton West she was viciously assaulted and partially scalped. When the whistleblower reported the fraud, the Secretary of State for Montana struck her charity off the register by [revoking its status](#). Patton West, losing her source of income, stole the charity's main asset (worth \$1,250,000 in 2002) and put it in a personal trust fund for herself and her eldest son Rob Meador. In 2008 a judge forced the breakup of the trust to make Patton West sell those assets at a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest. In addition to the property that she stole from the charity \$4,000,000 (as valued in 2002) worth of art work and valuables were stolen and hidden in a lock up for 10 years until the statute of limitations on theft expired. In 2009, while being deposed by the whistleblower's lawyer, Patton West was questioned about these items. In her [statement](#), taken under oath, Patton West denies knowing the whereabouts of these items, acknowledges that they did exist but suggests they were stolen or hauled off. She further stated that she had given up all physical possessions. In 2014 items exactly matching the items presented to West [on a list](#) in 2009 suddenly appeared at [auction](#) and for sale from her website. Today these items can be seen on her website under the [art gallery](#) tab.

Above: Patton West is an occult thief / suspected serial killer who has operated in three western states since 1991. Under the cover of religious freedom laws, Patton West attracts wealthy spiritual seekers with a persona that is entirely fake. Worse still, the Patton West is a cold blooded killer masquerading as a guru as those who go public about her crimes find out to their cost.

Are Patton West's actions that of a guru or the leader of a cult / criminal racketeering gang? Or the actions of someone criminally insane?

Key to Patton West's efforts to reincarnating herself in Arizona as the Ascended Master Rishi Devra, are senior cult / criminal gang members [Dr. Julio Williams MD](#) & [Geoffrey Reynolds CPA](#). Whether you choose the flying monkeys from Wizard of Oz or the marionettes, it is clear that Williams' & Reynolds' actions were and are totally orchestrated by Devra Patton Witch (West).

Above: Both Dr. Julio Williams MD (depicted left) and Geoffrey Reynolds CPA (depicted right) were total strangers to John Watson and yet, on Patton West's instructions both Williams & Reynolds became complicit in Patton West's 2007 plot to murder Watson, and when that failed, took part in the subsequent conspiracy to extort \$10,000,000 from him all to silence him.

Dr. Julio Williams MD - Cult Resume.

A Pathological Liar, and a Senior Member of a Satanist Cult / Criminal Gang and a Public Relations Nightmare for Essentia Health and others who employ him.

1 FAMOUS QUOTE – [“I have personally allocated \\$2,000,000 for Dr. West’s defense and legal expenses. You f*ck with me and you will meet your match.”](#) End quote. [Patton West is not a doctor of anything unless you count the two fake doctorates she said the Christ awarded her in person.]

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

“I’ve known I wanted to be a cardiothoracic surgeon from a very young age, and I’ve always been fascinated by the heart and its ability to sustain the rest of the body by itself,” says Dr. Williams. “The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician.”

Dr. Julio Williams MD was ‘welcomed’ to Essentia Health in Fargo in 2018. Williams’ links to a dangerous cult and organized crime are a public relations nightmare waiting to happen for both [Essentia Health](#) and [Yakima Regional Hospital](#) in Washington State.

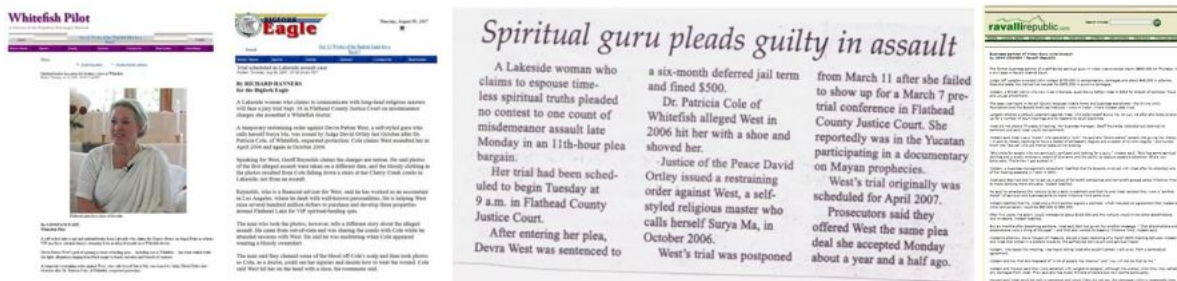

Being a senior student / cult member of Patton West’s since 2000, there is no possible way that Dr. Julio Williams MD could not know about Patton West’s criminal activities i.e. theft, fraud, extortion, violent assaults and the murder of Lisa Swidler and attempted murder of John Watson. Regarding the latter, we know that Williams is hiding Patton West’s ongoing campaign of violent intimidation against Watson from the police because he has failed to pass on some 400 plus emails that Watson has sent to Williams. It is totally inconceivable that Dr. Julio Williams is unaware of Patton West’s true biography which means that he must know that her current and past websites, that he has appeared on regularly, are full of lies and propaganda and all part of a massive fraud.

A search of Google Images at [this address](#) reveals a wealth of information about Dr. Julio Williams and his close association with Devra Patton West the leader of his cult / criminal gang.

Above: Google Images show the close association between Dr. Julio Williams MD and Devra Patton West since the year 2000.

Dr. Julio Williams was totally aware of the negative press in the Montana newspapers which resulted in the cult / gang having to leave Montana for Arizona in 2010. Julio Williams moved with the cult! The [Whitefish Pilot](#), the [Bigfork Eagle](#) and the [Ravalli Republic](#) newspaper articles laid bare Devra Patton West's criminal racketeering business model in Montana. And her regular appearances to court as the defendant in fraud related lawsuits made it clear that Devra West was no guru but a career criminal. Because the public no longer swallowed the 'divine being' propoganda in Montana Devra Patton West and her cult moved to Arizona where, complete with a new name, new false identity, fake life story / bio Devra West reincarnated herself as Rishi Devra.

Above from left to right: Whitefish Pilot newspaper article July 12 2007. Bigfork Eagle newspaper article August 9 2007. Whitefish Pilot newspaper article 24 April 2008. Ravalli Republic newspaper article October 2 2008.

In spite of being aware that she is a criminal and suspected serial killer Williams continues to act as her chief cheerleader by continually 'marketing' Patton West to the public as a 'divine being' just as he did in Montana.

Are Dr. Julio Williams' actions that of an employee, friend or physician or that of a cult / criminal racketeering gang member?

Below are some of the idiotic statements that Williams has made publicly on behalf of Patton West in his capacity as chief cult propagandist and liar for hire. Below we have three recent postings made by Dr. Julio Williams MD on his Facebook pages all made in spite of his obvious knowledge that she is perpetrating a fraud of monumental proportions just as she did in Montana also with his help.

Julio Williams So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey.

Above: "Thy humble salutations to thy lotus feet." Williams is aware of her true criminal nature how could he not be? However being a Satanist cult the more harm, upset and grief that he and Patton West can cause to others the more they are happy.

Are Dr. Julio Williams' actions that of an employee, friend or physician or that of a cult / criminal racketeering gang member?

And here....

Julio Williams Om Shri Rishi Ma Addi Ma Mataji!
Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service.
No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

Above: Om Shri Rishi Ma Addi Ma Mataji. Dr. Julio Williams is obviously aware of Patton West's true biography / life journey having been a key part of her criminality since the year 2000. Williams is clearly being used by West to suck in spiritual seekers.

Are Dr. Julio Williams' actions that of an employee, friend or physician or that of a cult / criminal racketeering gang member?

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams.
"The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Above: Mimicking the same propaganda as appears in Patton West's fake bio / Life story Williams uses such phrases as "touched by her grace" and "Our Rishi mother whose wisdom, grace and spiritual mastery etc." One has to wonder if Williams is mentally ill or a willing accomplice in a massive deception, a monumental fraud and a senior member of a cult / criminal gang.

Are Dr. Julio Williams' actions that of an employee, friend or physician or that of a cult / criminal racketeering gang member?

Dr. Julio Williams MD appears to be a totally brainwashed individual that Patton West has used shamelessly to promote herself since he joined her cult / criminal gang in the year 2000.

★★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Above: Patton West laughing all the way to the bank as she shamelessly uses Dr. Julio Williams MD's perceived respectability to carry out the latest extortion scam involving 'divine grace healings.' Williams seen on bended knee before his cult leader.

Are Dr. Julio Williams' actions that of an employee, friend or physician or that of a cult / criminal racketeering gang member?

In 2014, Dr. Julio Williams MD posted [a public appeal](#) on Patton West's website for funds for the 'Divine Feminine' knowing that Patton West had planned to murder fellow physician Dr. Pat Cole MD if she did not pay \$1.3 million to Patton West. He also knew of the vicious assaults by Patton West on [Susannah Felder](#) and [Beatrice McGuire](#). And Patton West, shamelessly using his perceived respectability as a physician and thoracic surgeon featured Dr. Julio Williams MD on a posting she made on her Facebook page where she invited attendees to 'Sacred Sundays with Rishi' pointing out that these would be held at the home of Dr. Julio Williams MD.

Comments from Students:

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -

Julio Williams MD, heart surgeon and devoted seeker

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker

Above: What could possibly be better for a con artist selling 'divine grace healings' for \$500,000 a go than to have a tame physician / thoracic surgeon on hand to verify that she is a divine being and therefore capable of delivering a miracle!

Geoffrey Reynolds CPA – Cult Resume.

A pathological Liar, Guilty of Money Laundering & Complicit in a Failed Murder Plot and a Public Relations Nightmare for McSwain & Co. and anyone else who employs him.

1 FAMOUS QUOTE – "Watson will be dead within 12 months or in jail for reacting to what Patton West is going to do to him and his children." End quote. [Statement made in what Reynolds thought was an 'off the record' conversation with the [Bigfork Eagle](#) news reporter on August 9 2007. Statement reported to a federal agent.]

Above: Geoffrey Reynolds CPA a pathological liar who, after loaning \$300,000 to Patton West made a deal with the devil to ensure the return of his life savings. The deal? Complicity to commit murder, money laundering and criminal conspiracy.

It is unlikely, when interviewed for the position at [McSwain & Co.](#), accountants, that Geoffrey Reynolds CPA declared that he was a senior member of a cult / criminal gang whose leader Devra Patton West is suspected of at least one murder, at least one attempted murder and numerous counts of theft, fraud, extortion and violent assaults. It is unlikely that he declared to his new employer that he was guilty of failing to report serious crimes to the police that were committed right under his nose by his previous employer. It is unlikely that he declared to his new employer that he was guilty of money laundering, complicity to commit murder and criminal conspiracy.

Are Geoffrey Reynolds' actions that of an employee or friend or that of a cult / criminal racketeering gang member?

When we advised his current employer McSwain & Co., about Reynolds' criminal past his / their response was to sanitize Reynolds' entry on their [website](#) to remove all mention of Reynolds' past association with Devra Patton West's criminal racketeering gang. Given Reynolds' treachery and dishonesty, we believe he should have been sacked on the spot; as to keep employing him, risks a public relations nightmare for McSwain & Co., when Reynolds is eventually arrested and called to account for his links to organized crime.

Originally Reynolds' resume on McSwain & Co.'s website included mention of the eight years he spent as part of Devra Patton West's criminal racketeering gang between 2006 & 2014. Above left was the first sanitized version of Reynolds' resume designed to mislead the public and clients about Reynolds' criminal past. Above right is the current version of Reynolds' entry on McSwain & Co.'s website which omits Reynolds' photograph. This is a clear attempt to mislead the public / clients about Reynolds' past.

The above two sanitized entries on McSwain & Co.'s [website](#) for Reynolds, both make the following FALSE statement under the heading 'Experience.'

"Prior to joining McSwain & Company, PS. Geoff was **independent consultant**. He worked as an Outsourced CFO for many companies needing CFO services but unable to hire a CFO internally, this included Start-up Consulting, Business Plan Development, Mergers & Acquisitions and many other services. Geoff also served as CFO for Intramedicine, Inc. and Infinite Axis, Inc. Geoff began his career with Kendall and Associates, a Public Accounting Firm in Los Angeles, CA, becoming a partner.

Though Reynolds' website entries on McSwain & Co.'s website have been sanitized and amended a copy of Reynolds' own personal website still exists in cyber space, which clearly shows the information that Reynolds and McSwain & Co. are trying to hide from the public and existing clients. Below is an excerpt from his personal website which can be found at <http://www.geoffreyreynolds.com/>

Services also included tax and estate planning, forensic accounting, and developing / implementing accounting and computer systems. Also on his personal website can be found the following statement:-

To come to the point, like the totally [false statements Reynolds made to a Montana court](#) as his part in the conspiracy to bankrupt Watson, some of the statements made by Reynolds on the resume still shown on his personal website are totally false. These false statements were formally shown on his resume at McSwain & Co. until they sanitized his on-line resume to remove any mention of his association with Devra Patton West's criminal racketeering cult / gang.

Are Geoffrey Reynolds' actions that of an employee or friend or that of a cult / criminal racketeering gang member?

The evidence clearly shows that Williams and Reynolds are willing accomplices in Murder & Racketeering and senior members of Patton West's cult / criminal racketeering gang. The evidence also clearly shows that their actions against Watson, Cole and other victims were obviously orchestrated by Patton West. Patton West believes that because her criminal business model is disguised as a quasi-religious organization she'll be left alone by the authorities. Patton West, Williams & Reynolds are clearly relying on the fact that Patton West can intimidate, violently assault and commit multiple murders with apparent impunity. This has obviously occurred in the past and was intended to occur with Watson.

Religious Freedom Laws & License to Kill are the Secret of Patton West's Power over Others.

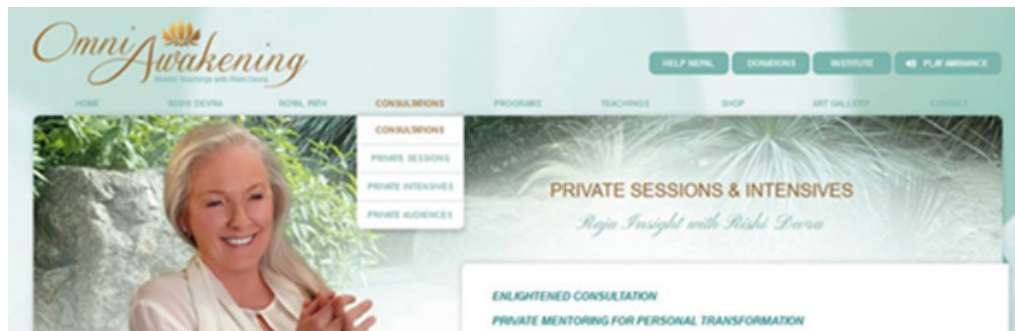

Patton West does not care about the truth because she believes that no one, including the police and the law courts, can hold her accountable for her lies. She told the whistleblower John Watson as much in March 2003 when she stated that the, and I quote, ["Truth does not actually matter."](#) Meaning that Patton West, with the help of 'liars for hire' like Williams and Reynolds, can persuade the public that her lies are their truth.

Above left: James Bond a fictitious character with a license to kill. Above right: Patton West a narcissist psychopath who believes that her ability to commit multiple murders using a hidden secret weapon makes her a God to be feared and worshipped by all. The big question is this. How many more must die before the authorities get their act together?

The current con, impossible without Dr. Julio Williams' help, works like this.....

Step 1. Those identified as wealthy targets are invited to attend a 'Private' Sessions or a 'Private' Intensive' as advertised on Devra Patton West's website (see below). In the past, these have been held at Dr. Williams' personal residence rented by him for that purpose.

Step 2. Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for the nonexistent wrongs the target committed).

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe
As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....
...and the karmic resolution of divine dispensation.

Above: With her brainwashed and conditioned stooge Dr. Julio Williams on hand to verify that she is capable of delivering ‘divine grace healings’ (if the price is right) Devra Patton West is laughing all the way to the bank. The big question is this. Will Dr. Julio Williams MD, who even uses his own home to stage these extortion events, be laughing for much longer?

Devra West is an Occult Master who can, using [Shamanic Visioning](#), induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. See above in this bulletin regarding the violent occult attacks directed at John Watson and his family and many others. In the above scam, she ‘induces’ the symptoms in those who do not believe or do not pay and then miraculously cures them after they go to her ‘Pay Portal’ and make a large six figure ‘donation.’ With Dr. Julio Williams MD present at these ‘private sessions’ and ‘private interviews’ Devra Patton West has her own tame and totally brainwashed and conditioned physician and thoracic surgeon, who has proved many times that he will do just as he is told, however immoral or illegal.

Step 3. The victims go to the Sage of Sedona’s ‘[Pay Portal](#)’ which is set up to receive single donations of up to \$500,000 or more by pressing a single button or a combination of buttons. In this way, the target receives an imaginary cure and in return [The Regent of the Spiritual Hierarchy of the Western Hemisphere](#) gets to empty the targets bank account into hers. Note Devra West standing there with her hands out saying “give me, give me.”

This has been going on for 27 years, right under the noses of the FBI and the IRS. It is illegal for a lay person to assert that they are able to cure someone of a health condition. Apparently not so for Devra West, and Dr. Julio Williams does not mind risking his career! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and a home of a multi-millionaire, even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.
