

Dear FBI, IRS and Sedona & Scottsdale police departments,

We write again specifically to the FBI in the hope that you will launch an investigation into Devra Patton West and her criminal racketeering business model. We feel sure her activities fall under your purview as they involve serious crimes in multiple states and, if the whistleblower and her ex-husband Jack West are to be believed, multiple murders. Given that these activities have occurred over 29 years and involve scores of victims of theft, fraud and extortion it is our hope that she will be prosecuted under RICO statutes. While the 'weapon' she uses to facilitate these crimes is not regarded as a weapon and while her lies and propaganda appear to be 'protected' under religious freedom laws we feel sure that once you comprehend the sheer volume of criminal activity an avenue under which to successfully prosecute Patton West will emerge.

We suggest two avenues of investigation that should bear fruit; a) have a forensic accountant look at the movement of money in and out of her business and personal bank accounts. She has offshore accounts. And b) review the role of accomplices Dr. Julio E Williams MD & Geoffrey Reynolds CPA in Patton West's plot to 'silence' the whistleblower John Watson. The motive for their actions against Watson was obvious. The potential loss of tens of millions of dollars a year from organized crime in Arizona if his websites remained up to warn the public about Patton West's 'criminal' activities in Montana and New Mexico before that.

To assist you in your investigations we are sending you three emails.

- 1. [Regarding Devra Patton West.](#)** The staggering levels of lies, deceit and propaganda used by Patton West to maintain the illusion that she is a guru and not the leader of a cult / criminal racketeering gang. The only motive for this deceit is fraud, extortion and the gratification a criminally insane narcissist gets from masquerading as a God on a mission to save humanity.
- 2. [Regarding Dr. Julio E Williams MD](#)** and his role in her criminal business model. More specifically the role the \$2,000,000 he gave Patton West played in 'silencing' the whistleblower after her plot to murder him failed. All this so that Patton West could relocate to Arizona (without the inconvenient truth of her criminal past up on the internet). She is now targeting Sedona as the 'Regent of the Western Hemisphere.'
- 3. [Regarding Geoffrey Reynolds CPA](#)** and his role in her criminal business model and specifically his role in 'silencing' the whistleblower. This involved Reynolds announcing Watson's murder a week before Patton West made her failed attempt on his life. It involved him making totally false pleadings to a Montana court as part of Patton West's conspiracy to bankrupt Watson into silence. All this so that Patton West could relocate to Arizona (without the inconvenient truth of her criminal past up on the internet). She is now targeting Sedona as the 'Regent of the Western Hemisphere.'

Before Patton West's cult / criminal racketeering gang is flushed down the drain we look at Dr. Julio E Williams's role in her conspiracy to murder / silence a victim who turned Whistleblower.

Above: After 29 years of racketeering in three western states marketed to the public as 'world service' finally the authorities are investigating the huge gulf between the propaganda on Patton West's current website and the FACTS. The facts being scores of victims of theft, fraud, extortion and several suspicious deaths. Hopefully accomplices Williams & Reynolds will join her in jail.

Above are actual statements which can be found by following these links.

1. Patton West to the rank and file members of her cult. ["It will be your privilege to seed my financial transition."](#)
2. Patton West to the whistleblower. ["If you take me to court I'll get so down and f*cking dirty etc."](#)
3. Dr. J E Williams MD. ["I stake my honor and credibility on defending Patton West's personal integrity etc."](#)
However knowing Patton West was a criminal and had no integrity Williams [gives her \\$2,000,000](#) after her plot to murder Watson failed. This was part of a conspiracy funded by me so that Patton West could gain revenge for the whistleblower winning a fraud lawsuit against her and putting up a website about her many crimes in Montana.
4. Dr. J E Williams MD describes Patton West as a ["virtual wellspring of living divinity"](#) while knowing about her multiple arrest warrants, a conviction for assault and being forced to sell her assets at a Sheriff's Sale to pay past victims of crime millions of dollars in court fines and interest. Dr. Julio E Williams continues to supply Patton West with a [series of embarrassing testimonials](#) intended to lure more victims into the 'kill zone.'
5. Geoffrey Reynolds CPA, in what he thought was an 'off the record' conversation with the newspaper reporter [Constance See](#), announced the whistleblower's impending murder to the Bigfork Eagle newspaper. The threat was passed on to a federal agent.
6. Geoffrey Reynolds CPA saying [how honored he is](#) to be associated with Patton West's 'global awakening' criminal racketeering gang.

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018
 Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Above: Dr. Julio E Williams MD in his 'day job' he masquerades as a respectable physician and thoracic surgeon. Behind the scenes, and for the last 20 years, he has been a senior member of a Satanist Death cult / Criminal Racketeering Gang.

We have dealt with Patton West's criminal history on innumerable occasions in other past bulletins which can be viewed by going to this [web address](#). However a short summary of her distinguished career as a con artist and violent convicted criminal might be useful for new readers.

Prior to 1990's Patton West (along with her husband Jack West) was drug dealer, pot grower and con artist defrauding individual victims like [Jeremy Samuelson](#) out of, in his case, \$10,000 at a time. After going bankrupt Patton West decided to become an Ascended Master and in that regard attended the [Robert Jaffe School for Energy Mastery](#) itself a cult and a cult training school, where Patton West defrauded one of her fellow students, [Satya](#), out of \$6,000. Below here is an excerpt from a website entitled '[Cult Education Institute](#)' by following the link you can review statements given by those who escaped from that cult. Here is an excerpt from one ex-cult member who decided to leave The Robert Jaffe School for Energy Mastery.

We were told that all sorts of things were "against God". Things like Reiki healing, which I had been involved in for some years. Over time I would learn that homosexuality and eastern religions were also "against God". By then, I had become quite disgusted with all that was being asked of me and I wrote an email to Dr. Jaffe announcing that I was leaving the path. Jaffe responded months later and threatened that I could become sick and die from something like cancer for leaving. That did not happen. Instead, I discovered some years later that Jaffe's own wife got ill with cancer and died from it.

We know from witnesses that Devra West took the Robert Jaffe playbook and adapted it for her own use. After completing her training in 1991 she declared herself to be an Ascended Master stating that anyone disagreeing with her was 'blocking the energies.' Very quickly she formed a personality cult around herself and proceeded to do what all narcissists / psychopaths do which is to assert their divine right to rule over the lives of others while harvesting the energy and the finances of those trapped in the cult to better themselves.

Top left: The class of 2002 all members of Patton West's cult Dr. J E Williams is indicated with a yellow arrow. Right: a fitting image of Patton West's criminal business model that has not changed for 28 years. Students and employees go in one end cash comes out the other. Bottom left and center two very recent photos of Dr. J E Williams with the leader of his Satanist cult.

Several of those featured in the 'class of 2002' photo above (top left) would become victims of theft, fraud, extortion and violent assault. These include John Watson (fraud and attempted murder), Dr. Pat Cole MD (extortion and violent assault), Marion Cantwell (kidnap, false imprisonment and extortion), Dave Kushner (fraud) and Mike Hendrickson (fraud). Lisa Swidler was murdered by Patton West. We also know that Devra West used the threat of murder as a way of intimidating victims, witnesses and the members of her own cult into remaining silent about her criminal acts. A document entitled '[Pats Records](#)' which was given to the Flathead police department in 2007 references the fact that Patton West had mentally and physically abused several of the members of her New Mexico cult. Until one day she targeted the wrong person who literally chased her out of the state in the middle of the night with a large loaded gun!

The cult as a criminal business model had huge benefits to Patton West the following being some:-

- 1.** She had a ready supply of 'sheep' who could be brainwashed and conditioned into fund raising for her.
- 2.** When needed she could manipulate the wealthy members of her cult into 'donating' their wealth to fund her huge lifestyle costs and funding her legal costs when the victims of theft, fraud and extortion fought back.

3. Persons with influence and perceived respectability such as Dr. Julio Williams MD could be shamelessly used by Patton West to market herself to the public as a messianic figure capable of delivering miracle health cures.

4. When threatened by a victim of crime seeking justice via the courts she could mobilize members of her cult against the threat by putting them into the fight between herself and the victim. This is exactly the role Dr. Julio E Williams performed for her when a victim of fraud at her hands went to law.

Dr. Julio E Williams' role in Patton West's conspiracy to intimidate, murder, and when that failed, bankrupt John Watson into remaining silent about Patton West's criminal past.

After business consultant John Watson announced he was going to sue Patton West for fraud in 2003 she insisted on meeting with Watson in private to try to persuade / threaten him not to go to law. Watson recorded their conversation with a digital tape recorder which can be listened to in its entirety by going [here](#). Excerpts from that conversation are listed below here:-

WARNING FOUL LANGUAGE FROM CRIMINALLY
INSANE WANNA BE PLANETARY REGENT

1. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
2. [West acknowledges that she is a control freak and admits to disposing of people like used Kleenex.](#)
3. [West goes berserk and in an expletive laden tirade accuses the whistleblower of exploiting her vulnerability! This behavior proves beyond doubt that Devra West is criminally insane.](#)
4. [West says that if Watson sues her she'll get so f*cking down and dirty huge expenses coming out of his pocket and not hers because Williams will pay her legal fees.](#)
5. [The truth does not matter \(if she can convince the public that her lies are their truth\).](#)

The important 'take away' from this conversation is that Patton West admitted defrauding Watson but did not see herself paying him. Further, if he took her to law, she would employ dirty tricks against him and outspend him. This entire conversation was posted on the web in 2006 so Dr. Williams must have known Patton West was guilty of defrauding Watson.

In 2005 Dr. Julio Williams's was given a chance to show his loyalty to Patton West by joining her vendetta against John Watson. Though a total stranger to Watson Dr. Julio E Williams MD agreed to publish a defamatory statement about Watson on Patton West's website. The statement sought to portray Patton West as a guru and a 'world server' and Watson as a villain. This was the first of many fake 'testimonials' that Williams published on behalf of Patton West, the leader of his cult. Below here is an excerpt from Dr. Julio E Williams' statement. You can read the entire statement by going [here](#).

The title of the statement is:- **'The Truth is Absolute. Be informed. Do not be Misled.'**

"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."

In January 2007, with Watson about to win his lawsuit against Patton West, Williams (doubtless at Patton West's request) sent a lengthy expletive laden email to Watson which was obviously a clumsy attempt at trying to intimidate Watson into dropping his lawsuit against Patton West. Below here is an excerpt from Williams' email to Watson. You can read the entire missive by going [here](#).

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

Above: An excerpt from an email that Dr. julio Willaims sent to a victim of fraud at the hands of his guru / Satanist cult leader. Having staked his honor and credibility on his guru's personal integrity he hoped to intimidate one of her victim's into withdrawing his lawsuit against her. The victim won the lawsuit in 2008 in spite of Willaims's attempt at 'witness tampering.'

One has to ask the question why would an apparently well-educated physician / thoracic surgeon, and a total stranger to the victim, send the victim a threatening email within which Dr. Williams MD uses the 'F' bomb / expletive? Why would Dr. Julio Williams MD make available \$2,000,000 to Patton West so that the leader of his cult / gang could 'outspend' the victim by issuing multiple frivolous / meritless civil lawsuits against him? For that matter why would another member of Patton West's cult / criminal gang, [Geoffrey Reynolds CPA](#), announce Watson's impending murder to the press in August 2007, the campaign of intimidation against him and his family by Patton West and then in 2010 agree to be part of a criminal conspiracy against Watson that involved Reynolds making totally [false statements](#) to a Montana court as part of a \$10,000,000 extortion scam designed to silence Watson from publicizing Patton West's past criminality.

Go [here](#) to read a lengthy report on Dr. Julio E Williams' role in Patton West's cult / criminal racketeering gang. And [here](#) to read about his role in Patton West's conspiracy to silence Watson by any means. Threats, attempted murder and criminal conspiracy. In light of Williams willing participation in organized crime let us revisit the 2005 statement that Dr. Julio E Williams MD made on behalf of his cult / criminal gang leader in 2005.

The title of the statement is:- **'The Truth is Absolute. Be informed. Do not be Misled.'**

"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."

What follows are a series of legal documents and news articles, i.e. [THE TRUTH](#), that demonstrate beyond any doubt that Surya Ma, AKA Patton West, has no personal integrity and is not interested in the truth – period. It follows also that Dr. Julio Williams MD, Patton West's own 'Uncle Tom' also has no honor or integrity.

Patton West's 2008 Conviction for Assault. Follow [this link](#) to review the court documents.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to

a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortleby issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed

from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

Patton West was the subject of a Sheriff's Sale in 2008. This was to force her to pay past victims of organized crime \$2,000,000 in court fines and interest.

In 2009 Patton West was the subject of an Arrest Warrant for [Felony Theft](#).

The screenshot shows the Flathead County Sheriff's Office website. The header includes the county seal, the name "Flathead County MONTANA", the date "Today is December 22, 2009", and a "Print this page" link. A search bar with "Google Custom Search" and a "Search" button is also present. The navigation menu includes "Home", "About Flathead County", "Elected + Appointed Officials", "Services Directory", "Calendar of Events", "Departments", and "Contact Us".

The main content area is titled "Warrant Details". On the left, there is a sidebar for the "Sheriff's Office" with various links: "Department Home", "Related Departments" (911 Official site, NW Drug Task Force, Children's Advocacy Center), "Our Boards", "Flathead's Most Wanted", "Warrants", "Crime Statistics", "Frequently Asked Questions", "Downloads", "Contact Us", "Registered Sex & Violent Offenders", and "Emergency Services".

The "Warrant Details" section includes a "Back to Warrants List" link and a note: "Photos will not be displayed for individuals with only misdemeanor warrants." Below this is a photo of Devra Lynn West. To the right of the photo, her name "West, Devra Lynn" is listed, along with her age (59), last known location (Lakeside, MT), and several aliases: "Patton, Devra", "West, Deborah Lynn", "West, Deborah Patton", "West, Debra", "West, Devra", and "West, Devra Patton".

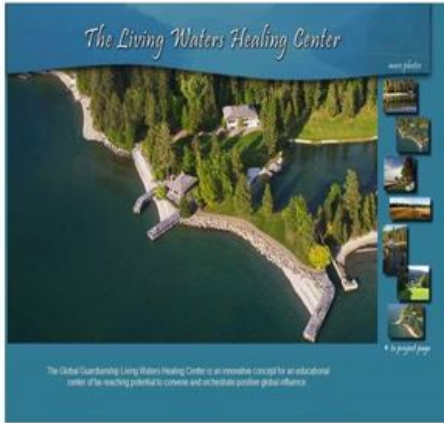

A "Warrants" table is displayed below the photo:

In 2007 Dr. Julio Williams agrees to take part in a massive fraud.

Between 2006 & 2007, just as she is doing now, Patton West was peddling the lie that she was a world renown guru that politicians and world healers came to for advice. Since this bulletin is focusing on Dr. Williams's involvement in peddling those lies let us start by focusing on a lengthy statement he published on Patton West's website in the 2006 & 2007 timeframe. Williams statement, like many since, sought to portray Patton West as a 'do-gooding' guru when he knew for sure that she was a criminal who preyed on the public for financial gain. Below here are two images that appeared on Patton West's website simultaneously. The image on the right is just a small excerpt from his glowing testimonial can be viewed in its entirety by going [here](#).

Above left: The totally non-existent 'Living Waters Healing Center' which were images of someone else's property that Patton West was fraudulently depicting as her own. Above right: An excerpt from a 'testimonial' given by Williams as part of a fraud.

On the left, we have an image of a multi-million dollar property belonging to Robert & Tabby Ivy that Patton West was fraudulently using in her brochures and on her website as part of the illusion (fraud) that she was a wealthy mover and shaker amongst the world's elite. Below is what the real owners of the property had to say when interviewed by the [Whitefish Pilot](#) newspaper about Patton West's wrongful use of images of their home.

A third Lakeside property -- the well-known Osprey House on Angel Point, owned by Robert and Tabby Ivy -- is promoted in the Surya Ma Enterprise brochure as the "Surya Devi VIP Retreat Spa." Tabby Ivy refutes that claim. "Devra consistently misrepresents her involvement with our house, erroneously saying she has an offer on it, but we have had no formal offer nor accepted any from her," she said. "After I saw our house in her brochure, I walked into her office and said, 'I don't want my house on any of your marketing materials.' For two years, she claimed she was going to buy our home. She wrote a bad check for several million dollars to the Realtor, and that was our experience with her."

Dr. Julio Williams MD knew that Patton West did not own that property or had any rights to use it in her marketing material and yet his own 'testimonial' appeared on an adjoining web page. He knew in 2007 that Patton West was fraudster masquerading as a wealthy woman. In reality, Patton West was at that time in the process of being evicted in quick succession from two rental properties. According to one of Patton West's employees, Dr. Julio E Williams MD [donated a \\$100,000](#) in early March 2007 to cover some of Patton West's living expenses.

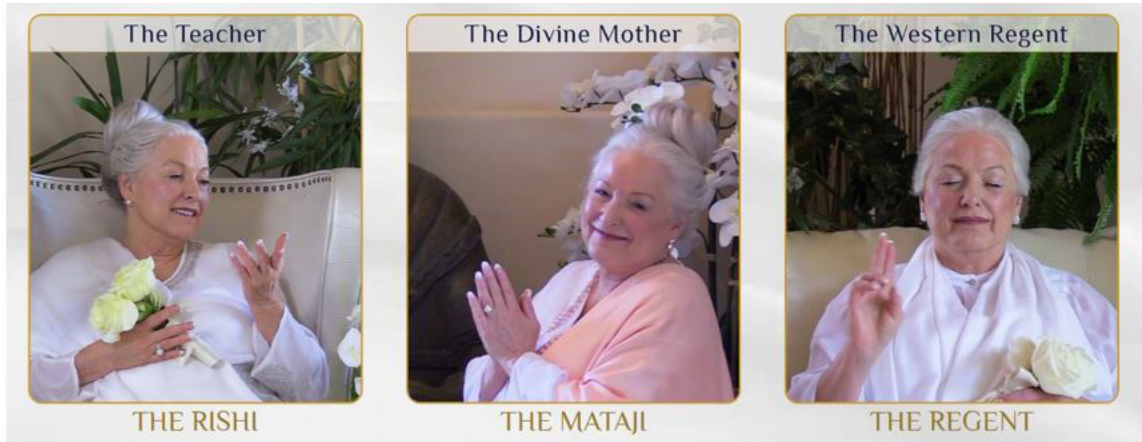

Above: After several appearances in court as the defendant in mainly fraud related lawsuits and after multiple newspaper articles made it clear that her 'World Service' was a front for her criminal racketeering business model Patton West was forced to leave Montana and reincarnate herself in Arizona. New name, new fake bio / life story – same 'divine being' play book.

After repeated visits to court as the defendant in fraud related lawsuits and after two arrest warrants and a conviction for assault and after three very negative articles were published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers Patton West's criminal business model was dead in the water in Montana.

However, before she could relocate to Arizona where she is now targeting Sedona & Scottsdale Watson's website had to be forced down and Watson silenced for good. [Murder was tried first](#) and after that failed Patton West conspired with Dr. Julio E Williams & Geoffrey Reynolds to bankrupt Watson into silence. Her conspiracy and Williams' & Reynolds' part in it is spelt out in a previous bulletin entitled [Gang Members](#).

In 2010 Patton West relocated to Arizona where she is now masquerading as:-

Above: A criminally insane narcissist who having acquired millions of dollars from organized crime gets to finance her psychotic belief that she is a god on a mission to lead humanity. Unfortunately the truth is that Patton West is a deranged occult thief / suspected serial killer (see the center photo above for a definition of deranged) who brutalizes everyone she comes across.

Reprising his role in Montana as chief 'marketing officer,' Williams continues to supply Patton West with a series of testimonials whose only purpose can be to conspire with Patton West to suck in more victims of fraud and extortion. Below we have an excerpt from a recent statement that Patton West posted on her Facebook pages wherein she purports to be able to dispense miracle cures (for a six figure sum).

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe

As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....

...and the karmic resolution of divine dispensation.

Above: Patton West is a pathological liar and it appears her lies have been, up to this time, protected under religious freedom laws even though the obvious motive is fraud. She cannot sell miracle cures so 'Divine Grace Healings' will have to do!

And below is another posting inviting prospective victims to attend 'Sacred Sundays with Rishi.' Note the venue is at Dr. Julio E Williams' own home! I guess by holding her 'private sessions' at Dr. Julio E Williams' home, she knows she will have on hand a totally brainwashed and conditioned physician to verify her credentials as a Planetary Regent and Mother of Ten Thousand Suns.

~ Our June 12th ~
Sacred Sunday with Rishi
will be hosted at the home of Dr. Julio Williams
7390 East Stagecoach Pass Carefree, Arizona 85377
~ 10 am to 12 pm ~

Above: Probably nothing to worry about that Dr. Julio E Williams MD, himself a pathological liar, is hosting a 'Sacred Sunday with Rishi' AKA Patton West. Though Williams has been a student and disciple of this con artist for 20 years surely he would not provide a venue for her and endorse her ability to deliver miracle cures for a large fee? Would he?

In January 2018, Dr. Julio E Williams posted yet another statement on the internet in support of Patton West the leader of his cult / criminal racketeering gang. This one was in response to two websites that contained thousands of documents about Patton West's criminal activities in Montana. The information contained on those two websites was a direct threat her criminal business model which relies on the public swallowing her lies and propaganda whole. This kind of negative publicity (the truth) was the very reason that in 2007 Patton West, aided and abetted by Williams & Reynolds, tried to hide from the public by murdering the whistleblower John Watson to hide. You can read Williams' statement by going [here](#). His statement, full of lies and propaganda, sought to portray the injunction he 'bought' for Patton West with the \$2,000,000 he gave her (see his January 2007 email to the whistleblower above), as something it is not. Below is a paragraph from Williams' statement:-

We are humbled to witness her dignity and perseverance demonstrated throughout this ordeal. Her focus remains on her service endeavors and meditation programs and enlightened teachings, with many worthy projects in progress. We are grateful for such a positive outcome! Again, Many Thanks to All Concerned,

Julio Williams MD

In the above paragraph, Williams seeks to portray Patton West as the victim of cyber-slander. He does so knowing the arrest warrants are real, he does so knowing the conviction for assault is real, he does so knowing that the Sheriff's Sale at which Patton West was forced to sell her assets to pay past victims of crime \$2,000,000 in court fines and interest was real. He does so knowing that John Watson, a victim of fraud, attempted murder and criminal conspiracy to bankrupt him (that Williams funded and was a part of) was just one of a score of victims of theft, fraud, extortion and violence. This [document](#) sets out the scale of Patton West's crimes.

Above: The narcissist occult thief Patton West. Is she criminally insane believing she is a god on a mission to lead humanity? Or just a very clever and resourceful criminal whose unique criminal racketeering business model has allowed her to operate for 28 years right under the authorities noses? Either way the victims of organized crime are real as are her lies and propaganda.

Williams defends the indefensible knowing that Patton West is a pathological liar, that her life story / bio is a total fiction, that she uses occult knowledge to feather her own financial nest and uses that same knowledge to intimidate victims and witnesses into remaining quiet and not going to the police. Williams does so knowing that Patton West subverts court cases brought against her by targeting victims and witnesses. Williams knows this because he is a 20 year student of Patton West's unaccredited school for occult studies and because where Watson, Dr. Cole and others are concerned Williams has been directly involved in perverting the course of justice on behalf of Patton West.

After the 2007 plot to murder the whistleblower failed, Dr. Julio E Williams funded plan 'B' by giving Patton West \$2,000,000 so that she and senior cult member Geoffrey Reynolds CPA could fund multiple frivolous lawsuits against the whistleblower whose objective was to bankrupt him into silence. He bought Patton West the injunction that forbade the whistleblower discussing Patton West's criminal past. He continues to supply Patton West with a steady supply of fake testimonials whose only purpose can be to entice more victims of financial and violent crimes into the 'kill zone.' However, there is much more. Over the past 4 to 5 years, Dr. Julio E Williams has received some 400 to 500 emails from the whistleblower logging the campaign of intimidation being directed at him and his family by Patton West.

We strongly suggest that the FBI and law enforcement agencies review the contents of his email account which is jcwilliams@prodigy.net as in doing so is proof positive Williams is a willing accomplice in racketeering and attempted murder.

In closing, let us revisit the 2005 statement that Dr. Julio E Williams MD made on behalf of his cult / criminal gang leader Patton West.

The title of the statement is:- **'The Truth is Absolute. Be informed. Do not be Mised.'**

"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."

It must be clear to anyone reading this missive that Dr. Julio E Williams has no honor or credibility. Our goal is to make Dr. Williams, Patton West and other members of her cult / criminal racketeering gang the subject of a criminal investigation under RICO statutes.
