In September 2006, Geoffrey Reynolds took up the position of CFO in what he thought was a normal corporation. However, the corporation was a 'front' for organized crime. Reynolds only found this out after loaning his life savings to the company's CEO Devra Patton West a psychopath, murderer and suspected serial killer. Because of the loan, and to save his marriage and CPA license, Reynolds immediately fell under Patton West's control and did her bidding however illegal or immoral. According to a witness, a fellow employee, Geoffrey Reynolds agreed to be complicit in the murder a stranger, and other crimes listed here, to 'SAVE HIS MARRIAGE AND HIS CPA LICENSE!' THE MURDER OF LISA SWIDLER. In 2005, Patton West was likely guilty of murdering Lisa Swidler a mother of two small children under the age of 10 years and one of Patton West's students / long term cult members. The likely motive was to stop Lisa going to the police to report three very serious crimes that she witnessed. The crimes, fraud, extortion, kidnapping, false imprisonment were committed by Patton West against three of her other 'disciples.'. Reynolds was obviously aware of these crimes and the murder. And maybe Patton West's husband told him that those who opposed his wife had a habit of dying

REYNOLDS KNEW OF PATTON WEST'S ABILITY TO GET AWAY WITH MURDER. PERHAPS THE REASON WHY HE CONFIDENTLY ANNOUNCED WATSON'S MURDER AHEAD OF TIME TO THE LOCAL PRESS IN AUGUST 2007?

In 2006, Patton West's conspiracy to her extort \$1.3M from her wealthy business partner Dr. Pat Cole MD was well underway. The conspiracy involved Patton West giving Cole regular beatings. Several employees (cult members) were also aware that Patton West planned to murder Cole if she did not 'donate' her entire net worth to Patton West. Witness Carlida Finch overheard Patton West talking about murdering Dr. Cole MD. <https://tinyurl.com/3prek7rn>

WITNESS STATEMENTS SHOW REYNOLDS WAS AWARE OF THIS.

THE PLANNED MURDER OF A WHISTLEBLOWER. In August 2007, Rat Reynolds CPA announced to the local press the imminent murder of a fraud victim turned whistleblower John Watson. It should be noted that Watson was defrauded by Patton West in 2002 and launched a fraud lawsuit against Patton West in 2003. However, on August 9 2007, in what Reynolds thought was an 'off the record' conversation with a newspaper reporter, Reynolds announced the following, and I quote, " Watson would be dead within the next 12 months or in jail for reacting to what Patton West was going to do to him and his wife and children." End quote. A week later a murder attempt by Patton West failed. Watson won his fraud lawsuit in 2008.

CLEARLY, REYNOLDS WAS AWARE OF PATTON WEST'S PLAN TO MURDER WATSON. HOW ELSE COULD HE HAVE ANNOUNCED IT IN ADVANCE TO A LOCAL NEWS REPORTER!
